7. CONTINGENCIES AND COMMITMENTS

7.1. Contingencies

7.1.1. During period ended September 30, 2015 the Company filed a civil suit against the Federation of Pakistan, Punjab Revenue Authority (PRA), Sindh Revenue Board (SRB) and the Federal Board of Revenue (FBR) in the Honorable High Court of Sindh (HCS) challenging the simultaneous demand by the PRA and the SRB of 'sales tax' on the port related services rendered by PICT to its customers in Karachi, Sindh. The Company has already been paying the entire sales tax on these services to the SRB, which through a circular has directed all resident taxpayers in Sindh to pay sales tax on any services they provide to it and has committed that in case the PRA or any other provincial authority demands sales tax on the same services, the SRB will resolve the issue with that authority through mutual adjustment. Under the Punjab Sales Tax on Services Act 2012, the Federal Government has been given the power to resolve any disputes between provinces relating to collection of sales tax. The SRB and the Federal Government have both failed to perform their statutory obligation and written commitments. The Company has challenged the demand by the PRA and the SRB and Federal Government's failure to resolve the issue through this case. HCS has granted stay order directing that the parties should maintain the status quo. The Company's legal counsel believes that there is full merit in this case and accordingly, no provision for any liability has been made in these condensed interim financial statements.

7.1.2. In 2007, the Trustees of the Port of Karachi filed a civil suit against the Company in the Honorable High Court of Sindh alleging mis-declaration of the category of goods upon import of Quayside Container Crane and Rubber Tyre Gantry Cranes in the year 2004 and thereby claiming a sum of Rs 101.5 million as additional wharfage charges and Rs 203.0 million as penalty, with interest.

The Company's legal counsel believes that the HCS is at the final stages as the arguments have been completed. The case is next fixed for orders on the Commissioner's report (concluding evidence) and immediately the matter will proceed to final arguments leading to adjudication. During arguments the Supreme Court Judgment will be brought for the perusal of the HCS under which the wharfage charges have been held as illegal and without lawful authority. The conclusion regarding outcome of the case can be drawn only when the case is fixed for announcement of Judgment before the HCS.

The legal counsel of the Company is confident that there is no merit in this claim and hence there is remote possibility that the case would be decided against the Company and, accordingly, the Company has not provided for any possible obligations arising from the aforementioned legal proceedings.

7.1.3. In 2007, the Company filed an interpleader civil suit against the Deputy District Officer, Excise and Taxation (DDO) and the Trustees of the Port of Karachi (KPT) in the HCS against the demand raised by DDO under section 14 of the Property Tax Act, 1958 to pay the property tax amounting to Rs. 34.6 million for the period from 2003 to 2007 out of the Handling and Marshalling (HMS) charges payable to KPT. The HCS granted a stay order to the Company directing that no coercive action be taken against the Company in due course until the case has been finalised. In 2008, the Company withheld the amount of Rs. 34.6 million from HMS charges billed by KPT for the period from July 1 till December 31, 2007 in accordance with the HCS's short order dated June 29, 2007.

HCS directed the Company to withhold further amount of Rs. 96.2 million from the HMS charges becoming due and payable to KPT and deposit the same with Nazir of HCS. The HCS further directed to continue depositing the amount on quarterly basis with Nazir of HCS till disposal of instant suits. Since property tax and HMS charges are payable on annual basis therefore, the Company has filed a review application with HCS for further clarification of HCS's direction of withholding and payment on quarterly basis. Subsequently, HCS further directed, through short order dated August 05, 2015, the Company not to pay the HMS Charges to KPT till the next date of hearing. The Company's legal counsel believes that there is full merit in this case and the property tax imposed will be disallowed by HCS. In view thereof, no provision for any liability has been made by the Company.
