## **Independent Auditor's Modified Review Report to the Members of Dewan Automotive Engineering Limited**

### **Review Report to the Members on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019**

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors ('the Board') of **Dewan Automotive Engineering Limited** (the Company) for the year ended 30 June 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of non-compliance with the requirements of the Code were observed which are not stated in the Statement of Compliance:

The independent directors shall not be less than two or one third of total members of the board, whichever is higher, whereas board includes one independent director, who in our view does not meet the criteria of independence on account of his cross directorship in associated companies; accordingly, due to the foregoing reasons, requirements of chairman of audit and HR Remuneration Committee to be an independent director has also not been complied with.

Based on our review, except for the above instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2022.

Further, we highlight that the Company has no female director on its Board and one of the director of the Company is serving as director in more than seven listed companies as disclosed in the paragraphs 1 and 3 of the Statement of Compliance.

Furthermore, we highlight that only three of the directors are qualified under the directors training program as disclosed in note 9 of the Statement of Compliance.
