

Procedure of Acquiring FIX Gateway(LAN/Remote)

- Brokers apply for the FIX Gateway on the prescribed Form available on the IT Help Desk.
- IT Support Services Department liaison with other departments for the verification of:
 1. Room Ownership (in case of LAN)
 2. Branch Registration.
 3. Agent Registration.
 4. Authorized Signatory.
 5. Pending dues of the Exchange.
- For LAN, in case, the applicant Broker doesn't have the room ownership then the following processes will be followed:
 1. The applicant Broker will provide the No Objection Certificate from the room/booth owner.
 2. IT Support Service Department seek Legal opinion from law Department.
 3. IT Support Service Department sought approval from Managing Director /DMD/GM Operations.
 4. Send above mentioned approval to Company Affairs Department to process supplementary agreement.
- IT Support Service Department inform Broker in case of any discrepancy. IT Support Service Department sends approval/ charges letter and FIX Registration form to the applicant Broker.
- The applicant Broker sends requisite payment and filled registration form to IT Support Service Department.
- IT Support Service Department sends FIX Registration Form to Broker after receipt of Login Credentials from Network and System Department.
- IT Support Service Department prepares FIX Gateway Agreement, send it to the Broker and PSX management for required signatures.
- IT Support Service Department inform Broker about the Mandatory Mock Session.

- IT Support Service Department prepares User Activation Form for Mock session for System/Network Department for user creation, activation and suspension after Mock Session.
 - Systems provide the Logs of Mock Session to IT Support Service Department.
 - IT Support Services Department reviews the Logs in consultation with the Real Time Application Development Department and informs Broker in case of any discrepancy.
 - If the applicant Brokerage house applied for IBTS through FIX Gateway, IT Support Services Department sends the unfilled Completion Certificate For Commencement of IBTS Services to the broker for confirmation from Brokerage house.
 - Brokerage house sends the Completion Certificate For Commencement of IBTS Services printed on Company letter head to IT Support Services Department.
 - If the Mock result is successful, IT Support Services Department inform the Broker via email and request the Broker to inform the Exchange regarding the promotion of the Fix Gateway in Production Environment.
 - After the receipt of above request, IT Support Service Department prepare User Activation Form for System/Network Department for user creation and activation
