As per regulation 6, it is mandatory that each listed company shall have at least two or one third members of the Board, whichever is higher, as independent directors and currently, there are two independent directors in a board of seven directors. With regard to compliance with Regulation 6 pertaining to fraction contained in one-third number and not rounded up as one, Management believes that two Independent Directors are sufficient to represent minority shareholders which are only 8.3% of total shareholders. As per Regulation 6 rounding up was not mandatory and the Regulators had placed Regulation 6 rounding up under the 'comply or explain' approach which enabled the Board to explain its reasoning.
19. Explanation for non-compliance with requirement, other than regulations 3, 6, 7, 8, 27, 32, 33 and 36 are below:
- 19.1 As per regulation 29, the Board may constitute a separate committee, designated as the nomination committee, of such number and class of directors, as it may deem appropriate in its circumstances. However, the responsibilities as prescribed for the nomination committee are being taken care of by HR&R Committee so a separate committee is not considered to be necessary.
- 19.2 As per regulation 30, the Board may constitute the risk management committee to carry out a review of effectiveness of risk management procedures and present a report to the Board. However, the company has a formal risk governance board operating with associate company where all risk mitigations are handled therefore Risk Committee is not considered to be necessary.

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Gillette Pakistan Limited (the Company) for the year ended June 30, 2023 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2023.
