

## DISTRIBUTION OF PROFIT BY THE SECURITIES BROKERS EARNED ON UNUTILIZED FUNDS OF THE CUSTOMERS

The Pakistan Stock Exchange Limited (PSX) is issuing this Investor Bulletin to enlighten the investors about their right to receive profit on their unutilized funds maintained with Securities Brokers for the purpose of trading or subscription of securities if such funds are kept in a profit-bearing bank account.

- ✓ Securities brokers are required to maintain a clear segregation of their clients' assets from their own. To ensure this, the securities brokers are required to maintain separate bank account(s) for keeping the funds of customers.
- ✓ Securities brokers are required to pass on profit, credited by the bank on these funds, to the respective customers in proportion to their unutilized balances.
- ✓ Any customer who does not wish to receive the profit must specify the same in writing to the securities broker.
