## 1) Introduction

- 1.1 The Finance Division has proposed amendments to the existing Government of Pakistan Market Treasury Bills 1998 and Government of Pakistan IJARA Sukuk Rules 2008 to address the increasing demands of financial markets, including Islamic financial institutions.
- 1.2 The Federal Cabinet has approved these amendments, which aim to enhance the efficiency and flexibility of issuing, registering, trading, and transferring government debt securities (GDS) through Pakistan Stock Exchange (PSX), National Clearing and Settlement Company of Pakistan (NCCPL), and Central Depository Company of Pakistan (CDC), collectively known as Capital Market Infrastructure Institutions (CMIIs).
- 1.3 These changes are expected to simplify participation in GDS auctions, expand the investor base, reduce borrowing costs, and increase transparency and accessibility for investors.
- 1.4 The Debt Management Office (DMO) of Ministry of Finance (MoF) is working with CMIIs, along with the supervisory role of Securities and Exchange Commission of Pakistan (SECP), to ensure effective implementation of these amendments, with the expectation that they will have a positive impact on Pakistan's financial markets and contribute to the country's overall economic development.
- 1.5 The implementation plan has following key features:
  - 1.5.1 Issuance of 1-year tradable GoP Ijarah Sukuk instrument at discount through CMIIs in the first stage. In addition to this, from 2024 onwards PSX will conduct the primary market auction of both 3 & 5 years Variable Rental Rate (VRR) and Fixed Rental Rate (FRR) GIS which was previously auctioned through SBP.
  - 1.5.2 MoF shall continue to explore the possibility of issuing 3-month and 6-month Sukuk to be issued through CMIIs.
  - 1.5.3 Making Govt. Sukuk CDS eligible, having custody with CDC and issued by Pakistan Domestic Sukuk Company Limited (PDSCL) under an issuer agreement with CDC.
  - 1.5.4 Conducting primary market issuance and secondary market trade through CMIIs.
  - 1.5.5 Issuing different types of instruments through CMIIs, including conventional short and long-term instruments, going forward.
- 1.6 In this reference, Finance Division through its notification dated November 09, 2023 has constituted a Committee on Operational Readiness for Government Debt Securities on Pakistan Stock Exchange (The Committee). The Committee has vetted the primary market auction and secondary market trade procedures.

### 3) Primary Market Auction of CDS Eligible GDS – Ongoing Process

#### 3.1 Auction System Setup, Eligible Participant Setup and Bid Account Creation

- 3.1.1 The auction calendar is determined by the Debt Management Office (DMO).
- 3.1.2 DMO will formally communicate the auction calendar details to the Pakistan Stock Exchange (PSX) for the quarter on a rolling monthly basis or other agreed frequency.
- 3.1.3 PSX will issue a public notice regarding the auction calendar at least 5 trading days before the auction day (A-5). This will cover the auction and settlement dates, target amount, and maturity amount among others. PSX may also ensure that this notice is disseminated to Bloomberg and Reuters.
- 3.1.4 CDC will declare eligibility of GDS (Sukuk) as CDS eligible security based on the documents (Issuer Agreement and Issuer Admission Form) and setup the same in the Central Depository System. CDC will establish Investor Facilitation Account to facilitate investors who does not have a CDS account and share the details to NCCPL.

- 3.1.5 National Clearing Company of Pakistan Limited (NCCPL) will share with PSX the list of eligible participants (based on the pre-defined criteria) along with any advance against bid details and updated contact details of persons authorized by the eligible participant for Auction System setup. This shall be received not later than the close of business day at A-4 whereas the advance against bid details are shared on an ongoing basis from A-3 till the cut off time mentioned in the Designated Time Schedule (Annexure A). An extract of eligible participant and the applicability of advance against bid and rate is provided in annexure “E”.
- 3.1.6 Based on the list of eligible participants (i.e. only CM ID of NCCPL), advance against bids, and contact details, PSX will configure its auction system by creating eligible participants not later than A-3.
- 3.1.7 Once the eligible participants are created, credentials such as participant ID and password will be transmitted by the PSX Auction System to the authorized person’s registered email address, whereas the ID and PIN will be shared on designated mobile number.
- 3.1.8 Authorized persons of the eligible participant shall log into the PSX Auction System using the credentials provided by PSX.
- 3.1.9 Eligible participants can open a user bidding account for proprietary purposes, such as for participation by bank or broker for their own bids.
- 3.1.10 Eligible participants are authorized to establish user’s bidding accounts for their clients, including individuals and corporate entities such as insurance companies and mutual funds. (Annexure - C for a diagrammatic view)
- 3.1.11 In the event of a Trading Only Broker and their clients, the user bidding account must be created through the Professional Clearing Member – PCM (EClear Services Limited).
- 3.1.12 Upon client request for anonymous or undisclosed bidding, the eligible participant needs to open user bidding account through client’s details (email, name, phone number, etc.). PSX Auction System will share a user ID, URL for the bid day screen, and password with the client via their registered email whereas the PIN will be shared on mobile number.
- 3.1.13 The creation of a bidding user account requires a minimum set of information, including the name of the bidder, maximum participation amount or Non-Competitive Bid Amount, CNIC/Incorporation number/UIN, registered mobile phone number of the authorized personnel, IBAN, bidding type (competitive or non-competitive), CDC Sub A/c/ IAS A/c (If available) and email ID of the authorized participant. (Sample Screen in Annexure – B). An authorization may also be obtained by eligible participant from the investor in case of disclosed bidding on client’s behalf, for record purposes. Bank details to be entered correctly as these will be used for any coupon/rental and maturity payments.

- 3.1.14 Individuals may directly approach Broker Clearing Members (BCM) and Non-Broker Clearing Members (NBCM) to participate in bidding process.
- 3.1.15 In the case of disclosed bids, the eligible participant (based on the authorization) will bid on behalf of their client on the auction day.
- 3.1.16 If a CDS account is not yet created (for instance, for a new investor), it can either be created before the auction day, or the Investor Facilitation Account of CDC shall be used for credit of securities.
- 3.1.17 The user bidding account opening process must specify the maximum bidding amount to be utilized by the investor at the time of the auction.
- 3.1.18 PSX Auction System will verify that only single compiled bid is received from users across all participants marked as NCB in non-competitive auctions.
- 3.1.19 The PSX Auction System shall also confirm that the maximum, minimum amounts and participant/investor restrictions prescribed by the DMO for each GDS for non-competitive bids are adhered to before proceeding further.
- 3.1.20 Once the user is created and confirmed by the eligible participant, the credentials for participation in the bidding process are forwarded by the PSX Auction System to the user (investor in the case of anonymous bidding or their agent/eligible participant in the case of disclosed bidding) through registered email and/or mobile numbers (sample enclosed in Annexure B).
- 3.1.21 The cut-off time for the creation of bidding users by eligible participants is the mentioned in the DTS.

## **3.2 Bidding Day Readiness and Bidding & Allocation Process**

- 3.2.1 NCCPL is required to communicate the confirmation of advance against bid amount of eligible participants to PSX with in the cut-off time mentioned in the DTS.
- 3.2.2 Based on the information shared by NCCPL, PSX will activate the eligible participants who have submitted advance for the bidding purposes on the auction day.
- 3.2.3 For remaining eligible participants, PSX will deactivate the participants' IDs, and as a result, all the users created through such participants shall not be able to place bid during auction time.
- 3.2.4 Timing of non-competitive bidding and competitive bidding shall be prescribed in the DTS.

- 3.2.5 Eligible participants may bid on behalf of their client(s) in the case of disclosed bids, or users may bid anonymously using the credentials provided during the auction hours within the maximum participation amount assigned. (Sample of log-in screen and Bid Screen enclosed in Annexure B)
- 3.2.6 The PSX Auction System is responsible for ensuring that the bids are submitted within the assigned limits based on the advance against bid details provided by NCCPL and the resultant maximum participation amount.
- 3.2.7 Under competitive bidding, bidders may place multiple bids within the assigned participation amount at different rates.
- 3.2.8 Bids can be cancelled only during the auction hours. In case of modification is required, user need to cancel the earlier bid and resubmit with revised amount and price/ rate.
- 3.2.9 Based on the direction of DMO, PSX may provide a platform where bid amount under each bid rate slab shall be visible to market during Auction Hours. The decision to make such visibility rests with DMO and shall be communicated to the market in advance.
- 3.2.10 Bid with bid amount and rate (without the name of the bidder) may be available to DMO for visibility during auction hours.
- 3.2.11 After the auction hour at A, PSX will send the compiled competitive bids (bid amount and rate without bidder name) along with non-compete bids (Total Bid Amount) to the DMO in an agreed manner.
- 3.2.12 DMO will review the bids and revert back to PSX with the cut-off price/rate and cumulative amount to be raised under each GIS and any direction related to NCB on the same day (A).
- 3.2.13 Based on the information provided by DMO, PSX will conduct its allocation process at A.
- 3.2.14 The successful bidders will be notified by the PSX Auction System via their registered email that their bids are accepted at the respective rate (depending upon the instrument), and such bidders are required to arrange settlement with NCCPL at A+1.
- 3.2.15 The details of such successful bidders are shared with NCCPL and DMO in the agreed format.

### 3.3 Primary Market Auction Settlement Process and Credit of Sukuk Units to the Investors' Designated CDS Accounts

- 3.3.1 Following the allocation process conducted by PSX, NCCPL will commence its pay and collect process at A+1 by debiting the settling bank accounts of eligible participants.
- 3.3.2 In the event of unsuccessful bids, NCCPL will release the advance amount of eligible participants at A+1 within banking hours.
- 3.3.3 Should there be any shortfall in payments due to failure to meet commitments, NCCPL will initiate its Shortfall Management Process in coordination with other CMIIIs, with details and timeline to be finalized in accordance with regulatory requirements.
- 3.3.4 The funds in lieu of accepted bids will be credited to the account of GOP (Federal Consolidated Fund) by NCCPL maintained in the SBP on A+1.
- 3.3.5 NCCPL will share confirmation of fund deposits with the DMO on A+1.
- 3.3.6 NCCPL will share the list of successful bidders who have made full payments with CDC, following the agreed-upon method of communication between the parties.
- 3.3.7 CDC will upload the data of successful bidders into CDS and conduct thorough verification on A+1. In the event of any discrepancies identified in the data, CDC will promptly engage with the investors to rectify the information on A+1.
- 3.3.8 Once data issues are rectified, CDC will execute the final upload into CDS and send a complete list of successful investors to Pakistan Domestic Sukuk Company Limited (PDSCL) on A+1 (in case of Sukuk). However, in case of conventional instruments CDC will execute the final upload into CDS and send a complete list of successful investors to DMO
- 3.3.9 Based on the credit instruction received from PDSCL or the issuer, CDC will define the apply date for the credit of GDS / Sukuk units into CDS on A+1.
- 3.3.10 GDS units will be credited at the end of the day in designated IAS/sub-accounts/Investor facilitation account as appropriate.
- 3.3.11 In the event of no CDS account at the time of bidding and the utilization of the CDC Investor Facilitation Account, bidders who are allocated sukuk/security units in the Investor Facilitation Account must open a CDS account within 40 days from the date of credit of

sukuk/security units. Secondary market trading of such GDS instrument by the successful bidder is only conducted if the CDC account of such bidder is later created.

3.3.12 GDS holders/Sukuk holders may utilize the CDC pledging facility for SBP reserve requirement, and other applicable purposes.

### 3.4 Coupon and Maturity Payments

- 3.4.1 In accordance with the coupon frequency, the National Clearing Company of Pakistan Limited (NCCPL) will receive the coupon payment from the designated bank account of GOP (Federal Consolidated Fund) maintained in the SBP. State Bank would require a debit authority from GOP to make coupon or rental and maturity payments to NCCPL.
- 3.4.2 Central Depository Company (CDC) will share the details of GDS unitholders/sukuk holders with NCCPL in the manner and timeframe agreed upon between CDC and NCCPL.
- 3.4.3 NCCPL, after deducting any applicable withholding tax, will directly credit the coupon payment to the GDS unitholder's bank account.
- 3.4.4 At the maturity of the GDS instrument, NCCPL will receive payments from account of GOP (Federal Consolidated Fund) maintained in the SBP in accordance with the agreed-upon procedure. State Bank would require a debit authority from GOP to make coupon or rental and maturity payments to NCCPL.
- 3.4.5 NCCPL, after deducting any applicable withholding tax, will directly credit the maturity payment to the GDS unitholder's bank account.
- 3.4.6 Following the receipt of payment confirmation from NCCPL, CDC will coordinate with the Pakistan Domestic Sukuk Company Limited (PDSCL) or issuer to revoke the CDS security.
- 3.4.7 In the event of rollover of funds to the next sukuk or GDS issuance initiated by an eligible participant, NCCPL will extend the rollover facility to such participants/investors, considering the previous sukuk/GDS or cash received at maturity as collateral.
- 3.4.8 NCCPL shall collect the applicable taxes from GDS holders on coupon or maturity payment and shall submit the same to the concerned authority in accordance with the taxation rules.
