## 2.1 ABOUT THE REIT SCHEME

### 2.1.1 PRIMARY PURPOSE OF THE REIT SCHEME

TPL REIT, the first hybrid REIT of Pakistan was launched by TPL RMC in 2021 with the aim of capitalizing on the real estate development and management expertise of its parent company.

TPL REIT is created under a Master-Feeder Fund Structure, formed as a trust under REIT Regulations in Pakistan, enabling domestic investors to invest directly, whereas the international investors will have the opportunity to invest in TPL REIT through investments in one or more off-shore feeder funds (to be launched as and when required).

TPL REIT is formed as a trust established under the laws of Pakistan and registered as a closed-end hybrid REIT with the SECP under the REIT Regulations.

The Financial Close of TPL REIT was achieved on June 24, 2022 at an Initial REIT Size of PKR 18,350 Mn through raising PKR 11,250 Mn of fresh equity from Anchor Investors, while the Strategic Investor contributed Real Estate assets valued at PKR 7,100 Mn.

The existing asset portfolio of REIT Scheme comprises of:

### 2.1.2 SPONSORS / STRATEGIC INVESTOR OF THE REIT SCHEME

TPL properties is the Strategic Investor in the TPL REIT scheme. TPL Properties Limited was established in 2007 and became a PSX-listed company in 2016. Centrepont, the first and flagship real estate project of TPLP was completed in 2013 and was subsequently acquired by Bank Al Habib Limited in 2020.

TPL Properties is a reputable and corporatized Real Estate company in Pakistan, listed on the stock exchange, providing a one stop solution for real estate development, facility management, and investment. TPLP established a subsidiary namely TPL REIT Management Company to perform REIT management services. TPL RMC has launched Pakistan's first Shariah compliant hybrid REIT i.e. TPL REIT Fund I.

Other subsidiaries of TPLP include TPL Developments which is responsible for project developments and TPL Property Management which provides facility management services.

TPLP is focused on sustainable developments and is ensuring one or more renowned environment certifications (LEED, EDGE and others) across the portfolio. It has established relationships with a number of reputed international and domestic design and engineering firms to deliver the highest level of quality and set new benchmarks in Real Estate in Pakistan.

#### **Anchor Investors**

Initial investors of the REIT Scheme include TPL Properties Limited as the Strategic Investor and eight commercial banks, including Habib Bank Limited, National Bank of Pakistan, The Bank of Punjab, Bank Al Habib Limited, Bank Alfalah Limited, Habib Metropolitan Bank Limited, Askari Bank Limited, and Soneri Bank Limited (collectively referred to as the 'Anchor Investors').

The Strategic Investor made an in-kind contribution of real estate assets into the REIT Scheme, valued at PKR 7,100 Mn. The Anchor Investors made a collective contribution of PKR 11,250 Mn into the REIT Scheme, as per the terms of the Unit Subscription Agreements executed between TPL REIT Fund I and each of the Anchor Investors dated 11<sup>th</sup> May, 2022.

The Unit Subscription Agreement allows the Anchor Investors to increase their commitment to the REIT Scheme above their initial commitments after the Financial Close. Initial commitments from the Strategic Investor and Anchor Investors were disbursed in instalments in the following manner:

| Allocation (PKR Million)                                  | First Instalment | Second Instalment | Third Instalment | Total         |

\*Please note that investment in REIT Scheme by the Strategic Investor was made on 08-Dec-22 for the Technology Park project in the form of in-kind contribution of real estate asset.

It is pertinent to highlight that the Anchor Investors are not the sponsors of the REIT Scheme due to the following reasons:

- The Anchor Investors have no control over the day-to-day operations of the REIT Scheme;
- The Anchor Investors do not have the authority to appoint directors of TPL RMC; and
- The Constitutive Documents of the REIT Scheme do not impose any restrictions on selling / transferring of Units of Anchor Investors post listing. Hence, the entire unitholding of Anchor Investors will be considered part of the free float.

For REITs, Strategic Investor is considered to be the sponsor of the REIT Scheme and therefore, REIT Regulations put certain restrictions on the Strategic Investor - as per the REIT Regulations, Strategic Investor has to hold 25 per cent units of the initial size of the REIT Scheme (equity only) till revocation or listing of the REIT Scheme, whichever is earlier. Any other investors who are only financial investors and do not have any selling restrictions are not considered strategic investors / sponsors.

### 2.1.3 ABOUT THE OFFER

The Base Offer comprises of 22,937,500 Units of the REIT Scheme having a face value of PKR 10/- per Unit, representing 1.25% of the issued, subscribed and paid-up Units of the REIT Scheme. The Offer also has a Green Shoe Option for 22,387,000 Units. If the demand received is higher than the Base Offer, the Green Shoe Option for a maximum of 22,387,000 Units, representing 1.22% of the issued, subscribed and paid-up Units of REIT Scheme, shall be mandatorily exercised.

The entire Offer will be made through the Fixed Price Method at an Offer Price of PKR 17.59/- per unit to the General Public.

#### 2.1.5 PRINCIPAL PURPOSE OF THE OFFER

Unitholders of the REIT Scheme have unanimously resolved to conduct listing of the REIT Scheme. The decision to list the REIT Scheme is driven by the following:

##### A. Interest of Foreign Investors

There has been encouraging feedback from foreign investors to invest in TPL REIT Fund I. TPL RMC has been receiving queries from multiple foreign investors regarding participation in TPL REIT and listing has appeared to be one of the key criteria for their decision to invest. This is mainly because investment proceeds for a listed instrument / security can be conveniently routed through Special Convertible Rupee Account (SCRA).

It is pertinent to note that non-residents are allowed to trade freely in the units of funds quoted on the Stock Exchange(s) in Pakistan through Special Convertible Rupee Account (SCRA) pursuant to Paragraph 9A of Chapter 20 of the Foreign Exchange Manual issued by State Bank of Pakistan.

##### B. Broaden Investor Base

The existing investors of TPL REIT include TPL Properties Limited and commercial banks. Listing of the REIT Scheme will make the instrument eligible for a wider investor base with the inclusion of mutual funds, pension funds, employee funds, life insurance companies and others which require prices on daily basis to mark-to-market their investment.

### C. Regulatory Oversight

REITs operate in a highly regulated and structured manner. TPL REIT already has a robust corporate governance framework, however, listing of the REIT Scheme will further improve corporate governance by including regulatory oversight by PSX.

### D. Price Prospect

A NAV on account of continuing progress on the three projects of TPL REIT will be quarterly disseminated through PSX providing potential investors with periodic updates giving impetus to the listed Units price. A quoted price will be beneficial to all investor portfolios that are marked to market.

### E. Compliance with REIT Regulations

Lastly, this Offer will also ensure compliance with Regulation 7 of the REIT Regulations which require a REIT Scheme to be listed within a maximum period of three (3) years from the date of Transfer of Real Estate or Financial Close, whichever is later.

#### 2.1.6 VALUATION

Reference is made to section 8, titled “Valuation Section”, for details regarding the justification given by the Lead Manager / Consultant to the Issue in favor of the Offer Price of PKR 17.59/- per unit.

#### 2.1.7 QUALIFIED OPINION, IF ANY, GIVEN BY THE AUDITOR

TPL REIT was registered on Dec 23, 2021. Therefore, its audited financials are available for FY2022 (23 Dec 2021 – 30 June 2022), FY2023 and 1HFY2024 (standalone). The Auditor (KPMG Taseer Hadi & Co.) of the REIT Scheme has not given any qualified opinion on the financial statements of the REIT Scheme.

Notes:

1. Increase in revenue in FY2023 was on account of sizable increase (PKR 10.8 bn) in unrealized gain on revaluation of investment property. Further valuation of the properties conducted in the half year ended FY2024 did not result in a significant gain on account of revaluation, hence a decrease in revenue is observed.
2. The REIT Scheme posted a net loss in the half year since the property valuation conducted did not result in significant gains. The income from other sources was inadequate to cover the expenses and hence, loss was observed.
3. The REIT Scheme posted a negative profit after tax margin for reasons mentioned above.
4. Earnings per Unit of TPL REIT Fund I are negative for the half year ended FY2024 due to the above-mentioned reasons.

Notes:

1. This pertains to miscellaneous payments made by TPL RMC on behalf of the SPV companies. These are reimbursable to TPL RMC.

2. This pertains to the management fee payable to TPL RMC.

3. The performance fee increased in line with increase in NAV of the REIT Scheme during the period. Performance fee is charged on the increase in NAV subject to High Watermark.
4. These payments were made on account of management fee and performance fee.
5. This relates to remuneration of the trustee.
6. There was a total consideration of PKR 6,880 million for acquisition of 100% stake in National Management & Consultancy Services (NMCS) (Pvt.) Limited. As per the Share Purchase Agreement (SPA), the acquisition consideration consisted of PKR 2,380 million in cash and PKR 4,500 million in units of TPL REIT Fund I at par.
7. This relates to the long-term loan extended by TPL Properties Limited to HKC Private Limited.
8. Acquisition of Technology Park Zone Phase - I (Pvt) Ltd. was a non-cash consideration by way of issuance of units of TPL REIT Fund I.
9. This loan was given by TPL Properties Limited. The transaction was done before acquisition by REIT Scheme.
10. This pertains to expenses incurred on behalf of NMCS (Pvt) Ltd by TPLP before the transfer of SPV to the REIT Scheme. The amount has been settled subsequent to the acquisition.

## 2.2 ABOUT THE REIT MANAGEMENT COMPANY

TPL RMC, established in 2019, is a REIT management company in Pakistan which is regulated by the SECP. TPL RMC is a 100% owned subsidiary of TPL Properties Limited (TPLP).

TPL RMC launched its first fund, TPL REIT Fund I, which owns a portfolio of diverse real estate assets in Pakistan, all targeting to be environment friendly sustainable developments. The mission of the REIT Scheme is to contribute towards decarbonizing Pakistan's cities through sustainable and climate focused developments, supporting technology ecosystems, heritage, and the environment. The projects under the REIT Scheme aim to uplift living standards and address the shortfall in commercial and residential properties due to rapid urbanization in Pakistan.

The principal activity of TPL RMC is to carry on all or any business permitted to be carried out by a "REIT Management Company" including but not limited to providing REIT Management Services in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (as amended, replaced or supplemented from time to time) and all rules / regulations framed pursuant to the same or generally applicable to a 'REIT Management Company' under applicable laws.

In relation to the REIT Scheme, TPL RMC has the duties in accordance with the Constitutive Documents and the REIT Regulations, including but not limited to appointment of third parties, conducting due diligence of real estate to be acquired, managing the REIT Scheme in the best interest of Unit Holders, and the day-to-day management and operations of the REIT Scheme.

Notes:

1. More than 70% increase in total assets in FY2023 was due to increase in dues from related party (fee receivable from TPL REIT Fund I).
2. Remaining increase is attributable to increase in cash and bank balance.

2. Approximately 60% of the decrease in total assets in 1H FY2024 is due to decrease in dues from related party. Decrease in cash and bank balances accounts for ~36% of the decrease in total assets.
3. The increase in revenue is on account of increase in fees as income from TPL REIT Fund I. Please note that performance fee shall be paid to TPL RMC after Accelerator Period has ended (means the period starting at Financial Close and ending on the first dividend distribution to the Unit Holders by TPL REIT or listing of TPL REIT, whichever is later). Accordingly, TPL RMC only accrues 30% of the performance fee during Accelerator Period. The remaining revenue includes management fee and discounted value of the performance recognized as long-term receivable during the year.
4. The company posted a positive profit before tax in FY2023; loss is incurred on account of higher taxation during the period.
5. For the half year ended Dec 2023, loss is incurred due to higher administrative expenses than the revenue.
6. The company posted a negative profit after tax margin during the period for reasons mentioned above.
7. The company posted a negative earnings per share during the period for reasons mentioned above.

## 2.2.2 OUTSTANDING LEGAL PROCEEDINGS OTHER THAN THE NORMAL COURSE OF BUSINESS

Please refer to section 2.1.9 above.

## 2.2.3 QUALIFIED OPINION, IF ANY GIVEN BY THE AUDITOR

The Auditor of TPL RMC (KPMG Taseer Hadi & Co.), has not given any qualified opinion on the financial statements of the REIT Management Company of the last three years, i.e. for the FY 2021, 2022 and 2023.

### 3.1 OVERVIEW OF THE REIT SCHEME

TPL REIT, the first hybrid REIT of Pakistan, is launched by TPL RMC, a 100% owned subsidiary of TPL Properties Limited (“TPLP” or the “Strategic Investor”), with the aim of capitalizing on the real estate development and management expertise of its parent company.

TPL REIT is created under Master-Feeder Fund Structure, formed as a trust under REIT Regulations in Pakistan, enabling domestic investors to invest directly, whereas the international investors will have the opportunity to invest in TPL REIT through investments in one or more off-shore feeder funds. It is highlighted that currently there are no offshore feeder funds in place.

TPL REIT is formed as a trust established under the laws of Pakistan and registered as a closed-end hybrid REIT with the SECP under the REIT Regulations.

The Financial Close of TPL REIT was achieved on June 24, 2022 at an Initial REIT Size of PKR 18,350 Mn through raising PKR 11,250 Mn of fresh equity from Anchor Investors, while the Strategic Investor contributed Real Estate assets valued at PKR 7,100 Mn.

The initial fund size is PKR 18,350 Mn, (“Initial REIT Size”) and the ultimate target fund size will be up to PKR 80 Bn (“Target REIT Size”). The funds raised in future shall be invested primarily in acquisition of project SPVs that hold real estate development projects, acquire land for real estate development and hold income-producing real estate assets. TPL REIT will invest in projects through separate project SPVs that will be controlled and at least 75% owned by TPL REIT.

### 3.2 INITIAL INVESTORS OF THE REIT SCHEME

Initial investors of the REIT Scheme include TPL Properties Limited as the Strategic Investor and eight commercial banks, including Habib Bank Limited, National Bank of Pakistan, The Bank of Punjab, Bank AL Habib Limited, Bank Alfalah Limited, Habib Metropolitan Bank Limited, Askari Bank Limited, and Soneri Bank Limited (collectively referred to as the ‘Anchor Investors’).

The Strategic Investor made an in-kind contribution of real estate assets into the REIT Scheme, valued at PKR 7,100 Mn. The Anchor Investors made a collective contribution of PKR 11,250 Mn into the REIT Scheme, as per the terms of the Unit Subscription Agreements executed between TPL REIT Fund I and each of the Anchor Investors dated 11<sup>th</sup> May, 2022.

The Unit Subscription Agreement allows the Anchor Investors to increase their commitment to the REIT Scheme above their initial commitments after the Financial Close. Initial commitments from the Strategic Investor and Anchor Investors have been made in instalments in the following manner:

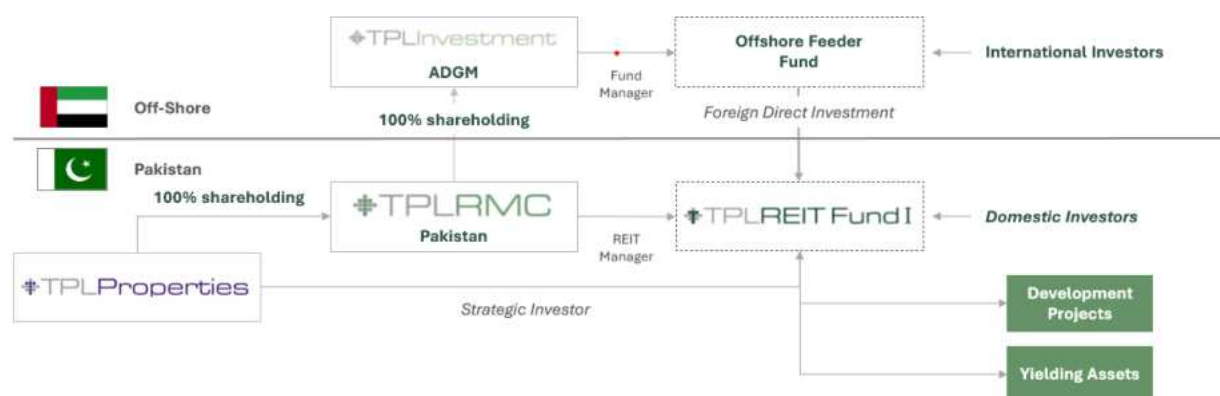

| Allocation (PKR Million)                           | First Instalment | Second Instalment | Third Instalment | Total |

\* Please note that investment in REIT Scheme by the Strategic Investor was made on 08-Dec-22 for the Technology Park project in the form of in-kind contribution of real estate asset.

### 3.3 MASTER FEEDER FUND STRUCTURE

TPL REIT is created under Master-Feeder Fund structure, in which the international investors will have the opportunity to invest in TPL REIT through investments in one or more off-shore feeder funds (the “International Feeder Fund”). The International Feeder Fund will allow international investors to invest in TPL REIT through a regulated tax efficient vehicle. The International Feeder Fund will be established in one or more offshore jurisdictions and managed through TPL Investment – a subsidiary of TPL RMC and foreign asset management company established in Abu Dhabi Global Market (“ADGM”).

### 3.4 INVESTMENT IN SUSTAINABLE ASSETS

The existing funds of PKR 18,350 Mn are being utilized for the purpose of the three projects, namely Mangrove, One Hoshang, and Technology Park.

The funds raised by TPL REIT will be invested in acquisition of project SPVs, which will hold developmental real estate assets, yielding real estate assets and undervalued real estate assets in Pakistan. Notably, the investments will be made in sustainable assets, achieving best in-class standards of environmental, social, and governance, including but not limited to, energy efficiency, water use, land use, biodiversity, efficient energy management via off-grid renewable capabilities, rainwater management, solid waste management, community engagement, reducing carbon emissions and pollution, waste, and risks due to climate change vulnerability such as flood risk, among others. The REIT Scheme expects to contribute to uplifting the living standards and the economy in the following ways:

- Providing a sustainable way of work & life, reducing commute and offering open workspace to promote health and social sustainability;
- Water saving fixtures and rainwater attenuation to mitigate runoff of 80% of storm water;
- Promoting technological innovation by providing resilient infrastructure, thus promoting inclusive and sustainable industrialization;
- Providing green infrastructure, offering flexible open spaces, community facilities and programs.

**Investment Criteria**

The REIT Scheme has a predisposition of investment towards sustainable and Shariah compliant real estate assets through project SPVs across urban centers of Pakistan. The selection criteria for real estate investment may broadly include but not be limited to the following:

- (a) Real estate assets are located within the territorial limits of Pakistan;
- (b) Suitability of the real estate asset to the objective and strategy of TPL REIT;
- (c) Investment ticket size to be comparable to existing projects;
- (d) Asset size in terms of built-up area to be comparable to existing projects, taking into account market movement in prices;
- (e) Minimum investment IRR of 20%;
- (f) Economic and financial viability;
- (g) Satisfactory due diligence of the assets by external advisors on title of real estate (including encumbrances and encroachment), capacity and authority of sellers to enter into transaction documents, material litigation in connection with the real estate and restrictions on transfer of real estate, approvals and NOC from respective regulatory authorities, and any contractual arrangement with consultants, contractors, tenants and any other related parties;
- (h) There is no litigation and encroachment related to the real estate asset;
- (i) No injunctions have been passed against the proposed real estate issued by the concerned authorities

The list of asset selection criteria is non-exhaustive, and the Investment Committee (please refer to section 11.16 of this Offer for Sale Document) may set a different benchmark to ensure the right asset selection in order to enhance investment return. TPL RMC also takes into account the impact that real estate assets have on the environment and other sustainability considerations when making investment decisions. While assessing sustainability, it considers environmental, social, and governance (“ESG”) criteria.

The acquisition of any real estate asset shall be subject to rigorous pre-acquisition due diligence to determine the local market facts, competition analysis, performance potential and risks involved. TPL RMC may involve external advisors, including legal consultants, valuer(s) and other professional firms to obtain advice on individual acquisitions, where deemed necessary.

### 3.5 PERFORMANCE SINCE FINANCIAL CLOSE

The REIT Scheme has achieved the following key milestones since Financial Close:

TPL Fund's performance since Financial Close (FC), on the basis of its NAV, is given below:

Note: Please note that undrawn commitments in the above chart refer to investment from Anchor Investors that had been committed under the Unit Subscription Agreements dated 11<sup>th</sup> May, 2022 and drawn down in tranches (draw down details are available in section 3.2 above).

### 3.6 HISTORY OF SPONSORS

TPL is one of the leading conglomerates in Pakistan that is committed to providing solutions based on advanced technology, innovation, and high quality. Established in 2000, TPL has come a long way since its inception. It has successfully diversified its portfolio in Pakistan, with TPL Corp as the parent company.

Starting from tracking and asset management, TPL has been widely successful in diversifying its impact portfolio, ranging from Real Estate and security services to venture capital and general insurance.

TPL Properties, established in 2007, is focused on sustainable developments and is ensuring LEED certified developments. The company has established relationships with a number of reputed international and domestic design and engineering firms to deliver the highest level of quality and set new benchmarks in Real Estate in Pakistan.

TPL Properties began its journey with its flagship project called ‘Centrepont’. Given the lucrative features and significance of the project, the company secured the project financing from U.S. International Development Finance Corporation (DFC) (formerly known as Overseas Private Investment Corporation) which was prepaid by TPLP. The company was Pakistan’s first entity to receive funding from DFC. Within 2 years of completion of this iconic project, TPL Properties successfully attained 100% occupancy rate for Centrepont building in 2015. The same year, the company gauged interest of Tundra Fonder, a Swedish investor, as a pre-IPO investor to attain listing on PSX in 2016, while also successfully exited from its flagship project at premium valuation in 2020. The investment yielded an IRR of ~22% and a return on investment of ~130%.

TPLP enjoys relationships with leading international design consultants for its sustainable real estate developments. To name a few, Squire & Partners (UK), AESG (UK), Atelier ten (UK), 1508 London (UK), and Gardiner & Theobald (UK) are company’s partners in Pakistan. These partners have high-quality brands and reputation as “Green” real estate development and have world class experience with thousands of projects designed, managed, and completed across the globe.

A detailed overview of the existing asset portfolio is given below:

### 3.7.1 PROJECT A – MANGROVE

Mangrove (“Project A”) is a master planned community to be developed over a land parcel of 40 acres on a waterfront locality. The project is set to become one of the city’s most desirable neighborhoods, overlooking the expansive mangrove forest and seafront, with world-class amenities and a varied collection of mid-rise residential apartment towers, commercial offices, service apartments, hotel, and retail space. The registered owner of the Real Estate assets for Project A is National Management & Consultancy Services (Pvt.) Limited (“Project A SPV”), a 100% owned subsidiary of TPL REIT.

The development is envisaged to provide interconnected spaces, encouraging non-vehicular movements between residential, office and retail areas. The distinctive feature will be a boardwalk along the mangroves / seafront. The location is in proximity of a school and university district (e.g. Rahi, Schole Academy, CBM, Salim Habib University), leading healthcare facility (Indus Hospital) and for leisure golf course (Airmen’s), yacht club and go-karting circuit, amongst others. Healthcare and leisure services will be further established within the project allowing for minimal travel required for managing work life balance.

The future infrastructure developments (planned and expected) that especially bring Korangi to limelight include completion of the Korangi link road and a bridge between DHA and Korangi over the creek that will further reduce the distance from prime locations of Karachi.

#### Design Overview

The project is being developed on the concept of “commute less, live more”, reducing carbon footprint through providing an opportunity to residents to be near to their workplace. A step towards promoting a healthier lifestyle where cycling / walking is preferred over driving several miles to workplace and essential retail stores.

Built on principles of intelligent space maximization, and attention to detail, every element of the project will be designed to enhance the spaces both within and around the project. All in all, the designs of the project aim at achieving higher living standards for its occupants by providing a secure, ecofriendly, and healthier environment meanwhile keeping them connected and closer to the rest of the city.

Situated in the heart of one of the busiest and overcrowded cities, the waterfront neighborhood and

ample greenspaces will bring its occupants closer to nature. The project will have ample cycling facilities, waste control and drainage system, enabling a possibility of living a healthier lifestyle, meanwhile contributing towards less pollution and promoting an eco-friendly environment. This project will attract a diverse range of customers including individuals, families, corporations, entrepreneurs, local and destination brands, travelers among others.

For the area developed, as the per recommendation of highest & best use study by Colliers International (now Savills Pakistan), the area is allocated between residential apartments, commercial office space, retail and hospitality.

| Project A – Mangrove                          |   |
|---|---|
| <b>Land Area</b>                              | 193,600 Sq. Yd. / 1,742,000 sq. ft.                                 |
| <b>Estimated Gross Constructed Area (GCA)</b> | ~12,200,000 Sq. Ft.   |
| <b>Estimated Sellable Area (SA)</b>           | ~8,400,000 Sq. Ft.  |
| <b>Planned Units*</b>                         | 4,798 apartments, 184 key hotel, 55 office spaces, 171 retail space |
| <b>Development Tenor</b>                      | ~10-11 years  |

*\*This is the planned mix of built units which may change depending upon various factors such as market conditions and demand for an asset class. The asset mix would be finalized at the time of completion of detailed building design.*

### Design Team

A team of reputable international and local design consultants has been engaged for the planning, designing and management of the project. Presently, SSH has been engaged as the Master Planning Consultant for Mangrove, and Tariq Alexander Qaiser (TAQ) has been engaged for the design of the Bio-diversity Park and site office.

### International Consultants

#### SSH

Established in 1961, SSH has become one of the leading international architectural and engineering consultant group with 10 regional offices spread across Middle East, Europe, and Africa. Since inception, SSH has remained committed to delivering quality services throughout the MEA region, offering local knowledge with international delivery.

SSH focuses on collaboration through interdisciplinary teams, driving performance and achieving results. SSH's range of services include master planning, building design, infrastructure, and construction supervision. Some notable projects include Creek Beach District (UAE), Al Salam Palace (Kuwait), Al Mouj (Oman), Grande (UAE) Four Plots Downtown (Dubai) Sunset Islands Development (Bahrain) and Creek Horizon (UAE).

### Local Consultant

#### Tariq Alexander Qaiser

TAQ is an award-winning firm based in Karachi, a boutique design practice focused on the design of hospitals and schools. It is headed by Tariq Alexander Qaiser, an environmentalist and architect, who has been documenting the islands of Karachi and their mangroves since the early 2000's. TAQ has deep interest in traditional wooden boat building and has designed and supervised large live-aboard dhows. Its portfolio includes exhibition stalls at international and local exhibitions, such as the Mangrove Exhibit at the MagnifiScience Center for TDF.

## EA Consulting

EA Consulting Pvt Ltd (EA) is one of the leading multidisciplinary consulting firms of Pakistan. Established in 1981, it is a full-service Engineering and Program Management firm, headquarters in Karachi with a diversity of disciplines and expertise in multiple services. EA has successfully completed projects of Schools, Colleges, Residential Buildings, Heavy Industries, Bridge & Highways, Water Supply & Sewerage, Hospitals, Town Planning, Flood Control, Topographical Surveys, as well as Electrical and Mechanical Installation and HVAC Projects in Pakistan. EA has also carried out the projects of Bridges & Highways and Buildings in UAE.

EA has in-house computer capability and necessary software for various designs works, relevant software packages for analysis and design of water supply & sewerage system as well as GIS software.

It has complete facility available for image processing of satellite images and for developing a map of 1:25,000 or on any scale by utilizing sophisticated software ER Mapper developed by Australian firm Earth Resource Mapping. It has a very strong survey team equipped with modern electronic equipment and well-trained and experienced surveyors.

## Development Overview

The proposed development mix of the project includes development of **residential apartments, commercial offices, hospitality and retail space**. The detail of the mix is shown below.

Note: The proposed utilization of plots is indicative. The actual use and plan for launch of the phases shall be finalized upon completion of detailed building design and market conditions.

**Bio-Diversity Park**

The Bio-Diversity Park, a flagship initiative by TPL RMC for the Mangrove Project, embodies a profound commitment to environmental sustainability and resource conservation. The park shall encompass a 'Learning Center' constructed from reclaimed wood, serving as an educational hub to enlighten visitors about the significance of mangroves.

Eco-friendly walkways and boardwalks, crafted from salvaged wood and thoughtfully anchored, provide unobtrusive pathways for exploration, allowing guests to observe the lush foliage without disrupting the delicate ecosystem. Strategically placed Bird Watching Towers offer elevated viewpoints for appreciation of the diverse species thriving within the mangrove habitat. Additionally, a purpose-built floating jetty shall facilitate interactive activities like canoeing and fishing.

Adhering to international guidelines, the park minimizes environmental impact through careful infrastructure setup, designed walkways that respect the environment, demarcated areas for visitor activities, and the use of sustainable materials such as biodegradable signage and reclaimed wood. This holistic approach underscores the park's commitment to education, sustainability, and the preservation of mangrove ecosystems.

### Project Location

The project is located at a prime location in the close vicinity of Indus Hospital, Karachi, benefiting from the adjacent neighborhood and boardwalk overlooking the mangrove. The project may benefit from major road networks and easy accessibility to business and industrial districts, residential areas, universities, hospitals, recreational areas, and supermarkets.

### Address:

Korangi Industrial Area

### Coordinates:

24.79441, 67.10361

### Following are the key attractiveness of the project site:

Bus Stop at walking distance

14 minutes' drive to one of the largest stores of Pakistan – Imtiaz Store

25 minutes' drive to DHA Golf Club

Indus Hospital located nearby

35 minutes' drive to Jinnah International Airport

23 minutes' drive to Shahrah-e-Faisal

### Upcoming Infrastructure

1. Karachi Bus Rapid (BRT) project comprises of 5 lines connecting various parts of the Karachi to improve mobility, inclusivity, and connectivity. The total network stretches approximately 113 KM with a total of 90 stations
2. Amongst the five lines, BRT's Yellow line, a 22 KM project connecting the industrial areas of Korangi/Landhi to the heart of the city (Numaish), shall pass through the subject site, which would substantially improve public access to the project
3. Malir expressway, a 38.75 KM project located along the Malir River Corridor, starting KPT interchange and ending at M9 will connect the project with the Motorway. The anticipated end of construction is expected 30 months from the commencement date. The development works for the expressway are in process
4. Korangi Link Road, connecting Korangi causeway to PAF Airmen Golf club through a 12 km four lane road, shall improve access of the project with Korangi Industrial area. The project has been approved under a Public Private Partnership by the Sindh Government and the works related to its first phase have been initiated<sup>1</sup>

### Property Transfer

The property was transferred by TPLP into the REIT Scheme via a Share Purchase Agreement ("SPA") dated May 20, 2022. Total consideration for acquisition was PKR 11,630 Mn including cash consideration of PKR 7,130 Mn and non-cash consideration of PKR 4,500 Mn.

### Property Valuation

As required under the REIT Regulations, TPL RMC, at the time of acquisition of the project SPVs, obtained valuation reports of Real Estate held by each project SPV from two independent valuers including Savills Pakistan (previously Colliers International) and Oceanic Surveyors. Subsequently, Savills Pakistan has been appointed as the Property Valuer for the REIT Scheme to conduct half yearly valuation of the properties. A brief overview of the two valuers is given below:

#### Savills Pakistan

Savills Pakistan (formerly Colliers International Pakistan Private Limited) was established in 2006 and offers Investment Services, Valuation Services, Strategic Consultancy and Development Advisory and Project Management. Savills also has an unparalleled reach throughout Pakistan for strategic services for the hospitality field. The firm's experience and expertise span the globe, with 700 offices across the Americas, Europe, Asia Pacific, Africa, and the Middle East.

#### Oceanic Surveyors Private Limited

Oceanic Surveyors Private Limited is part of the OCEANIC Group of Companies which was established in the year 1970 and has developed & expanded into one of the leading privately owned group of companies with a diversified business portfolio. The group maintains operations in line with internationally accepted ISO 9001-2018 standard to provide an array of high standard services. They provide services in the fields of Insurance, Technology, Risk Management, Valuation – Engineering Services (Land, Building, Plant and Machinery), and Legal Advisory.

**Project Progress**

The 'Concept and Detailed Masterplan' for the project has been designed by SSH. Subsequently, the master plan approval has been received from Cantt Board Korangi Creek (CBKC) in October 2022 and various NoCs related to height and utilities have been obtained.

Moreover, the detailed Building Design contract has been awarded to SSH in November 2023 and its completion is spread over 18 months. The design for the Bio-Diversity park and sales office has been completed.

Currently, a tender is being prepared to initiate infrastructure works at the site including Roads, Walkways, Cycle Tracks, Lighting, MEP utilities networks etc. The development works at site for the Sales Office and Bio-Diversity are under way and expected be completed by 4QFY24.

### Development Timeline

The development is planned to be spread across six (6) phases. Each subsequent phase will begin one year after the previous phase has been initiated. The main construction works for phase one are expected to be initiated during 1Q 2025. The estimated construction tenor of each phase is 3-5 years. The overall project is estimated to be completed in 10-11 years.

### 3.7.2 PROJECT B – ONE HOSHANG

One Hoshang, (“Project B”) will be Pakistan’s one-of-a-kind Gold LEED certified **ultra-high-end residential apartment tower**, offering a new lifestyle choice that is sustainable and distinct. It will consist of luxurious residential 3 Bed and 4 Bed apartments, an elegant penthouse and exquisite retail showrooms with befitting amenities.

The registered owner of the real estate for this project is HKC (Pvt.) Limited (“Project B SPV”), of which a **94.6% stake is owned by TPL REIT**.

#### Design Overview

The design of the project seeks to create a “Super-prime” residential development providing international-level design and living standards to residents through a highly efficient sustainable development model incorporating best-in-class standards for energy and water conservation. The project development has adopted a sustainable approach, aiming to establish high levels of environmental performance, and therefore achieving the LEED Gold pre-certification.

The feature element of landscape and external design of tower will be tile design to enhance the historical connection of existing façade into modern decoration while the soft landscape will create distinctive feature of the tower through selection of local plant species to enhance the outdoor scenery. The tower will also include a posh podium terrace with luxurious pool, green space to relax, BBQ area and allow for catered entertainment via the service kitchen. This podium terrace will further be covered with retractable blinds to provide privacy and shading.

### Project Progress

The detailed design of the project has been completed and all regulatory approvals for the projects have been secured. Initial works related to demolition, façade protection, excavation, piling and shoring have been completed. The tender for the main works which includes the foundation and grey structure has been awarded and works are underway. The grey structure of the project is expected to be completed in July, 2025.

At the same time, the marketing for the off-plan sales of the apartments have been initiated and the phase 1 inventory sale are expected to be locked in by 4QFY24.

### *Other Matters*

One Hoshang was registered under fixed tax regime, as specified in Section 100D of Income Tax Ordinance 2001 and was required to complete the grey structure of the project, as defined under Eleventh Schedule of Income Tax Ordinance 2001, latest by September 30, 2023. However, given project delays and eventual transfer of One Hoshang into REIT, wherein REIT income becomes tax-free if 90% of the profits are paid out, TPL RMC has subsequently appealed against consideration in Section 100D. The company has obtained a stay order from Sindh High Court on the matter which is currently intact. However, the company expects that the decision will be in their favor. As per the tax advisor, since HKC became an SPV under the REIT Regulations, and resultantly exempted from income tax on payment of 90% accounting income as dividend, no further tax provision is required.

### Development Timeline

The development tenor of the project is 3 years with expected completion by June, 2026.

### Equity Investment by TPL REIT

TPL REIT made an investment of PKR 2,350 Mn in Project B of which PKR 975 Mn was used to acquire 90% stake in Project B SPV, PKR 1,080 Mn was used to pay off the loan outstanding to TPLP and the remaining amount of PKR 295 Mn is being used to finance the development of the project.

### 3.7.3 PROJECT C – TECHNOLOGY PARK

The Technology Park, (“Project C”) is planned to be the first of its kind privately owned technology park in Pakistan, with high-end IT infrastructure to be designed for technology companies including tech startups, software houses, tech support and other technology related companies; looking for an office space that fosters innovation, collaboration and stimulates health, wellness, and social sustainability. The project plan also includes a 42-key business boutique hotel, offering high quality accommodation to local and international business travelers and delegates.

The project is planned to be classified under Special Technology Zone (STZ), whereby, the STZ Authority Ordinance 2020 enables all the inhabitants / occupants and developer of the facility to benefit from import duty concessions and income tax holidays.

The registered owner of the Real Estate assets for Project C is TPL Technology Zone Phase 1 (Pvt.) Limited (“Project C SPV”), a 100% owned subsidiary of TPL REIT. The concept design for the project is concluded. The project is currently in the detailing stage and the preliminary architectural plans have been submitted to Sindh Building Control Authority (SBCA) for approval. Various NOCs have also been obtained from relevant regulatory authorities.

The target customer base for Technology Park includes tech startups, software houses, tech support and other technology related companies and the hotel shall target local and business travelers and delegates.

#### *Design Overview*

The design of the project consists of three cylindrical towers with varying heights and diameters that create a striking and dynamic development. The conscious and holistic introduction of green spaces and interconnecting atrium softens the architecture, creating a seamless indoor-outdoor relationship and reinforcing a positive, energizing environment to work and stay. The design seeks to create a defined separation between the offices and the hotel to promote work-life balance and define a unique and distinctive character for the hotel.

The office space located in two towers is designed to improve employees’ productivity by keeping the design as an open plan, providing flexible workspaces, natural light and creating a balanced, soft, and acceptable ambient noise. Interconnected amenities such as café area and enclosure of green spaces not only give the office space a contemporary feel but more so provide employees with a breathing space where they can connect with coworkers and recharge.

The planned boutique hotel situated at the upper levels of the principal tower offers high quality guest accommodation with associated amenities. The guest rooms are primarily targeted towards sophisticated travelers. A proposed sky lounge and specialty restaurant at the pinnacle of the tower offers a destination venue for social and business engagements, attracting guests with unparalleled views over the rooftop pool to the surrounding cityscape. The car parking is located in one of the towers and has a continuous spiraling floor that acts as both ramp and car park.

### Project Progress

The concept and schematic design for the project has been concluded. The project is currently in the detail design phase. Various NOCs related to height and utilities have been obtained.

The project design and development works are **currently on hold**. The business model for the project entails off plans sales of office space to fund majority of project development cost. Under the current macro-economic environment, the demand for Commercial Office space on off plan sales or outright purchase seems weak as corporates are delaying their capital expenditures to overcome high inflation, widening interest cost and raw material shortages.

The project design and development are planned to be resumed towards second half of 2024 with the expectation of improving macro-economic environment and business sentiment, along with inflation to cool down and downward trajectory of interest rates.

### Development Timeline

The site construction is expected to be initiated by end of CY24 and complete by June 2027. The tentative timeframe for the site construction of Project C is illustrated below:

| Activity                         | Start Date | End Date | 2023 |    |    |    | 2024 |    |    |    | 2025 |    |    |    | 2026 |    |    |    | 2027 |    |

### 3.9 REVENUE DRIVERS

#### Growing Urban Population

Pakistan has the 5<sup>th</sup> largest population in the world<sup>2</sup> with the population growing at a rate of 2.55% in 2023<sup>3</sup>. As per the results of the recent digital census of Pakistan, the population has grown to 241.49 million as of 2023 with the urban population being increased to 38.82%<sup>4</sup>. The urban population has been significantly ahead in the province of Sindh comprising of a staggering 53.73% figure. The mass urbanization in Sindh is particularly centered in Karachi. The ever-growing urban population of Karachi, coupled with the improving socioeconomic factors creates a demand for high end property and is a major revenue driver for real estate projects.

#### GDP Growth

The GDP of a country is primarily driven by favorable macroeconomic factors. This in turn affects all the sectors including real estate. The GDP growth of Pakistan was under pressure in FY 2023 on account of struggles of the country to recover from the floods of 2022, political instability, inflation, current account deficit, and an ongoing foreign exchange crisis. However, the economic woes of Pakistan seem to have diminished as the International Monetary Fund (IMF) has forecasted the real GDP growth of Pakistan for FY

2024 to be 2.0%<sup>5</sup> with the same increasing to 5.0% in 2028<sup>6</sup>. The growth in GDP in future years is likely to boost growth in the real estate sector, particularly for the offices and retail markets. An increase in GDP is also likely to increase tourism and business activities, thus generating demand for the hospitality industry.

### Demand for High-end Residential Apartments

The likelihood of people seeking high-end residential apartments increases as they become exposed to international standards of living. Accordingly, the demand for luxury real estate market in urban areas of the country has increased over the years, particularly in Karachi. Emaar Oceanfront, Creek Vista and Hoshang Pearl are few examples of high-end residential apartments that are completed or near completion, offering status and prestige on top of the comfort and security.

TPL REIT has also availed this opportunity and introduced its state-of-the-art premium end residential projects under One Hoshang project to cater to such demand.

### 3.10 COST DRIVERS

Material and labor costs are major determinants of the overall cost of constructing real estate properties.

#### Material Cost

Concrete and steel constitute a significant portion of the total construction cost of building real estate. Steel rebars production in Pakistan is highly dependent on the import of scrap metal. In addition to this, development of state-of-the-art asset classes will require the import of several key materials such as interior decoration items, furnishings, HVAC systems, etc. The material-based development cost of such projects is impacted by a couple of factors including variations in the cost of these primary materials and exchange rate movements. Any upward movement in material costs as well as the exchange rate could affect the development cost as well as profits of TPL REIT.

#### Labor Cost

Labor costs encompass wages, benefits, insurance, and other expenses associated with the workforce employed in the construction process. Development of high-end real estate requires an extensive and skilled labor force including hiring of off-shore personnel to be compensated in foreign currencies. Further, any

change in labor laws (e.g., an increase in minimum wage) or change in supply of proficient workforce or exchange rate movements is likely to cause an increase in the cost of labor.

### 3.11 MARKETING STRATEGY

The marketing efforts for the TPL REIT projects are led by the Development Advisor, which is in the process of assembling a dedicated team specifically tasked with marketing and selling the TPL REIT projects. The primary objective is to attract clients from diverse avenues. In addition to marketing of specific projects under REIT, a generic marketing strategy is being worked out to portray TPL properties as leading real estate company in Pakistan focusing on the quality sustainable projects.

The comprehensive marketing strategy is bifurcated into two segments:

**Social Media Marketing Campaign:** Directing efforts towards engaging potential clients through various social media platforms. The focal point is to augment social media engagement and raise awareness regarding ongoing projects. Engagements are actively pursued across platforms such as Instagram, Facebook, LinkedIn, and Twitter. Additionally, a dedicated website providing comprehensive project-related information is in development. The existing marketing and communications team at TPL Corp is providing support in these initiatives. With more projects especially Mangroves on plate for sales, a dedicated sales and marketing team is to be onboarded.

**On-Foot Marketing Campaign:** This type of marketing drives project sales through off-plan sales methods. The strategy involves on-foot marketing initiatives encompassing billboard campaigns, site visit events, and establishing on-site offices specifically for facilitating bookings.

#### Segmentation of the Marketing Campaign for Individual Projects:

##### Project A: Mangrove

Mangroves is a multifaceted project encompassing retail, residential, hotel, and office spaces. It caters to multiple target markets, including families, minor investors, and businesses seeking suitable working spaces. To address this diverse audience, marketing strategy shall involve launch events, billboard campaigns, social media campaigns, targeted campaigns such as communities and organizations, and the establishment of a site sales office by July, 2024. The sales office will have the right resources and infrastructure to launch a fully thoughtful campaign.

##### Project B: One Hoshang

One Hoshang comprises premium housing apartments and targets a niche market of elite individuals seeking investment opportunities or high-end residences. A personalized sales approach is adopted due to the limited availability of units.

##### Project C: Technology Park

Technology Park integrates hotel and office units, primarily targeting tech startups and software houses. The engagement strategy involves a mix of online advertising campaigns, personalized direct sales and on-foot marketing tactics, including site sales office, and billboard campaigns.

### 3.12 FEE CHARGED BY TPL RMC

#### 3.12.1 MANAGEMENT FEE

TPL RMC shall be entitled to an annual fee calculated at 1.50% of the NAV of TPL REIT, which shall be payable in arrears after the close of each quarter of an accounting period of TPL REIT and shall be chargeable as an expense in the relevant accounting period.

In respect of any period other than a full calendar year such remuneration shall be prorated on the basis of the actual number of days for which such remuneration has accrued for the total number of days accrued in the accounting period concerned.

### 3.12.2 PERFORMANCE FEE

TPL RMC is entitled to the following performance fees:

1. **Increase in NAV:** 15% charged on YoY (year-over-year) increase in NAV of TPL REIT over a High Watermark, calculated at the end of each accounting period. High Watermark is the highest NAV of TPL REIT reached in previous accounting periods
2. **Realized Gain:** 15% of the profit from the sale of real estates and / or sale / winding up of the SPV.

The first component of Performance Fee is linked to value addition measures undertaken by TPL RMC and prevailing real estate valuations. It is calculated by an independent valuer and reflected as an increase in the NAV. The second component of Performance Fee is linked to successful exit of real estate assets/projects, resulting in dividend income for Unit Holders.

During the Accelerator Period, TPL REIT will pay 30% of the Performance fee due to TPL RMC in arrears after the close of each accounting period and accrue the remaining 70% to be paid at the end of the Accelerator Period. Following the end of the Accelerator Period, Performance Fees will be paid to the RMC in full in arrears after the close of each accounting period. Accelerator Period means the period starting at Financial Close and ending on the first dividend distribution to the Unit Holders by TPL REIT or listing of TPL REIT, whichever is later.

### 3.13 COSTS OF ADVERTISEMENTS RELATING TO THE REIT SCHEME

No costs have been incurred for advertisements relating to the REIT Scheme.

### 3.14 FEE NEGOTIATED WITH THIRD PARTIES

| Development Advisor:           | TPL Developments (Pvt.) Limited   |                           |
| Fixed                          |                                   | 5-10% (of Hard Cost*)     |
| Variable                       |                                   | 10-15%**                  |

\*Hard Cost refers to the construction cost of the project.

\*\* Variable component of Development Advisor fee is 10-15% of profit on sale of asset / valuation gain on completion of rental assets

### 3.15 END USERS, DEMAND FOR THE PRODUCT

Mangrove project will attract a diverse range of customers including individuals, families, corporations, entrepreneurs, local and destination brands, travelers among others.

One Hoshang shall target High-net worth Individuals.

The target customer base for Technology Park includes tech startups, software houses, tech support and other technology related companies and the hotel shall target local and business travelers and delegates.

### 3.16 COMPETITORS

There are no listed competitors of TPL REIT in Pakistan in terms of business model. Dolmen City REIT is a purely rental REIT having a single project. Globe Residency REIT is a limited life developmental REIT involved in development and sale of residential apartments only.

On the other hand, TPL REIT is a **perpetual hybrid REIT** Scheme involved in diversified real estate projects including (i) master planned community for mixed use development on waterfront property, (ii) Pakistan's one of its kind premium-end residential apartment tower and (iii) first of its kind technology park in Pakistan. All three projects are being executed through separate SPVs of the REIT Scheme.

A brief comparison of latest financial information of TPL REIT with the listed REITs of Pakistan is shown below:

### 3.19 FUTURE PROSPECTS AND DEMAND OUTLOOK

#### Residential Market

Bridging the supply and demand gap in residential market will take some time. Going forward, the trend of increasing vertical developments will continue. There has been rising competition among developers in terms of providing quality amenities and community spaces within developments and this is expected to continue as well. Quality of development has improved with architecture and infrastructure moving closer to international standards.

Demand for housing in areas such as Korangi is picking up due to the development of societies and availability of plots at comparatively lower rates than equivalents in DHA. In future, this area is expected to witness growth in construction of vertical developments aimed at creating value for money.

#### Commercial Office Market

Monetary policy tightening is expected to continue in the near term to combat elevated inflation. The recent policy rate hikes have led to rental yields falling below prevailing interest rates. Higher interest rates stifle economic activity and discourage business expansion, leading to more businesses preferring to rent instead of outright purchases. Backed by distressed macroeconomic indicators, the outlook for the sale of commercial office space market appears to be challenging in the near term unless the macroeconomic indicators stabilize prompting the State Bank to reduce policy rate which eventually leads to improved business activities and demand for commercial property.

#### Retail Market

The retail market was severely affected by Covid-19 pandemic wherein, many international brands opted to consolidate their retail presence in Pakistan and doubling their efforts at places with higher footfall. Brands also doubled down on e-commerce sales with many of them not as reliant on store sales as they were before Covid-19 due to declining physical sales.

In recent times, malls have renegotiated lease agreements to provide relief to retailers affected by the lockdowns and the macroeconomic conditions. Although take up for retail has considerably improved after lifting of Covid restrictions and vaccination rollouts, the expansion plans of brands may remain low in the short term.

Though, the demand for retail has previously remained subdued due to Covid-19, the outlook remains promising due to rapid commercialization in Pakistan. Additionally, Savills estimates suggest that an approximate supply of 5 mn sq. ft. of shopping mall retail space is either under construction or in the planning stages.

### Hospitality Sector Market

The onslaught of Coronavirus pandemic worldwide led travel bans and visa restrictions which resulted in reduction in corporate travel as well as a reduction in tourism, thereby decreasing the overall demand in the hospitality industry. However, there has been a rebound in occupancy of hotel keys lately, driven by resumption in worldwide travel. In the long term, the market is expected to gain momentum when macroeconomic conditions ease off.

Pakistan is emerging as an important investment destination for new hotel industry development. In Karachi only, Savills estimates a supply gap of 200 rooms with 5-star services and facilities to cater to the rising demand of quality hotels.

### 3.22.1 BENEFICIAL INTEREST OF THE RELATED PARTIES WITH RESPECT TO THE REIT SCHEME

The following persons / entities have beneficial interest in the REIT Scheme which is limited to the capacity of being the shareholder / director of the RMC and unitholder of the REIT Scheme directly or indirectly (i.e., investment through corporate entities):

1. TPL Properties Limited

### 3.22.2 POTENTIAL CONFLICTS OF INTEREST OF THE RELATED PARTY WITH RESPECT TO THE REIT SCHEME

#### REIT Management Company

RMC may have a conflict of interest when allocating and / or recommending investment opportunities between TPL REIT and other clients. However, when making investments where a conflict of interest may arise, the RMC will endeavor to act in a fair and equitable manner as between the REIT Scheme and other clients. There will be no limitation with respect to other activities and investments of the RMC or with respect to the activities of other investment portfolios managed by the RMC.

RMC acts as the manager of the REIT Scheme and RMC is not an investor of the REIT Scheme. All material facts regarding the REIT Scheme and RMC's operations have been disclosed in this OFSD. The RMC certifies that it is capable of performing its duties in relation to the REIT Scheme independent of its other business, if any.

### **Other Related Parties**

The Trustee, Valuers, REIT Accountant, Development Advisors and the Property Managers engaged for TPL REIT and project SPVs may, from time to time, act as the trustee, valuer, accountant, development advisor and property manager to other real estate investment trusts or collective investment schemes which have similar investment objectives to those of TPL REIT, or may be involved or engaged with real estate projects sponsored/owned by investors with similar investment objectives to those of TPL REIT. Consequently, any of them may, in the course of their business, have potential conflicts of interest with TPL REIT and its project SPVs.

Accordingly, any transactions entered into by TPL REIT or project SPV with such related parties (other than the services to be provided by such entities to TPL REIT and its project SPVs pursuant to the REIT Regulations) shall be subject to the provisions of the Trust Deed and related party transactions policy of TPL REIT (for details on related party policy, refer to Section 10.14) which protect the interest of the Unit Holders and prescribe requirements for managing potential conflicts of interest in related party transactions.

#### 4.7 UNITS ISSUED AT PRICE LOWER THAN OFFER PRICE

As discussed in Section 3.1 above, TPLP contributed real estate assets in the REIT Scheme at a value of PKR 7,100 Mn while the Anchor Investors made cash contribution of PKR 11,250 Mn. These contributions were locked at par value of PKR 10/unit under Unit Subscription Agreements (USAs) of Strategic Investor and each Anchor Investors with TPL REIT Fund I dated May 11, 2022.

The Financial Close of the REIT Scheme took place on **June 24, 2022** on which **aggregate investment commitments of PKR 18,350 Mn were received.**

The first tranche was received upon the financial close (June 24, 2022) to the tune of PKR 5,625 Mn. Subsequently the second tranche of PKR 2,250 Mn was received on December 20, 2022, while the third tranche of PKR 3,375 Mn has been received on December 28, 2023.

While it may appear that Anchor Investors have made disbursement at PKR 10/unit in the REIT Scheme 3 months prior to the IPO, however, it is important to note the following:

1. The Anchor Investors evaluated the opportunity and committed to invest the entire PKR 11,250 Mn with a 'pre-defined' instalment schedule. Each of these instalments / tranches had certain pre-requisites that TPL RMC had to achieve merely to align the funds disbursement with the progress of the REIT Scheme. The tranches / instalments are not treated as new fund raising and do not follow the mechanism of 'further issue of units' rather a drawdown notice is issued to Anchor Investors, and they disburse the amount honoring their commitments under the USAs.
2. The subscription price of PKR 10/unit was determined, offered, and agreed with the Anchor Investors almost 18 months ago and hence, no new investment decision was made by the Anchor Investors while disbursing the third tranche in Dec 2023.

## 5. REIT MANAGEMENT COMPANY

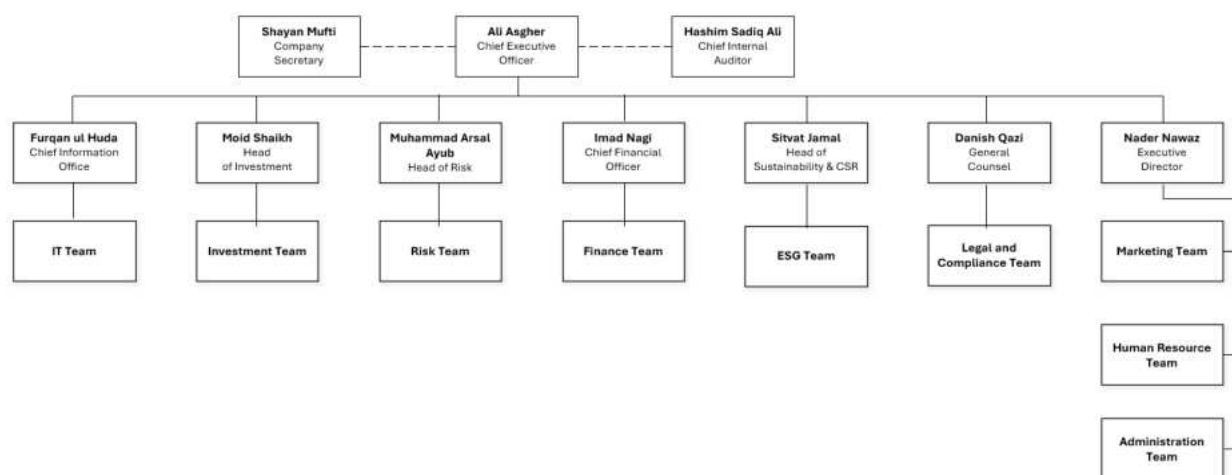

### 5.1 OVERVIEW OF THE REIT MANAGEMENT COMPANY

|                              |   |

### 5.2 ORGANOGRAM / ORGANISATIONAL STRUCTURE OF THE RMC

### 5.3 SPONSORS OF THE RMC

TPL Properties is the parent company of TPL RMC. It was established in 2007 and is focused on sustainable environment friendly real estate developments. The company has partnered with a number of reputed international and domestic design and engineering firms to deliver the highest level of quality and set new benchmarks in Real Estate in Pakistan.

TPL Properties Limited is Pakistan's premium multi-dimensional Real Estate Developer and a major contributor to realizing the vision of Pakistan towards urban and modernized real estate. The principal activities of TPLP are to invest, purchase, develop, sell, lease, or dispose of real estate assets primarily in the sustainable commercial and residential asset classes. It is one of two listed real estate developers in the domestic market, which operates in the niche of developing Premier Grade-A Sustainable Real Estate Assets and is rated A+ by local Credit Rating Agency, PACRA on 28<sup>th</sup> Apr, 2023.

TPLP is the first Pakistani company to secure funding facility from DFC (previously OPIC), to finance the construction of its flagship project, Centrepont Building. The facility was pre-paid by TPLP. The building adheres to the highest international standards of design and technology in commercial buildings and is a

unique addition to Karachi's skyline. Within 2 years of completion of this iconic project, TPLP successfully attained 100% occupancy rate for Centrepont Building in 2015.

The same year, the company gauged interest of Tundra Fonder, a Swedish investor, as a pre-IPO investor to attain listing on PSX in 2016, while also successfully exited from its flagship project at premium valuation in 2020. The investment yielded an IRR of ~22% and a return on investment of ~130%.

TPLP is part of TPL Group which is one of the leading business conglomerates of Pakistan with businesses across a variety of sectors including real estate, insurance, transport, security, technology, vehicle and container tracking, navigation and mapping solutions and financial sectors.

TPLP serves as the flagship platform of TPL Group with the following structure.

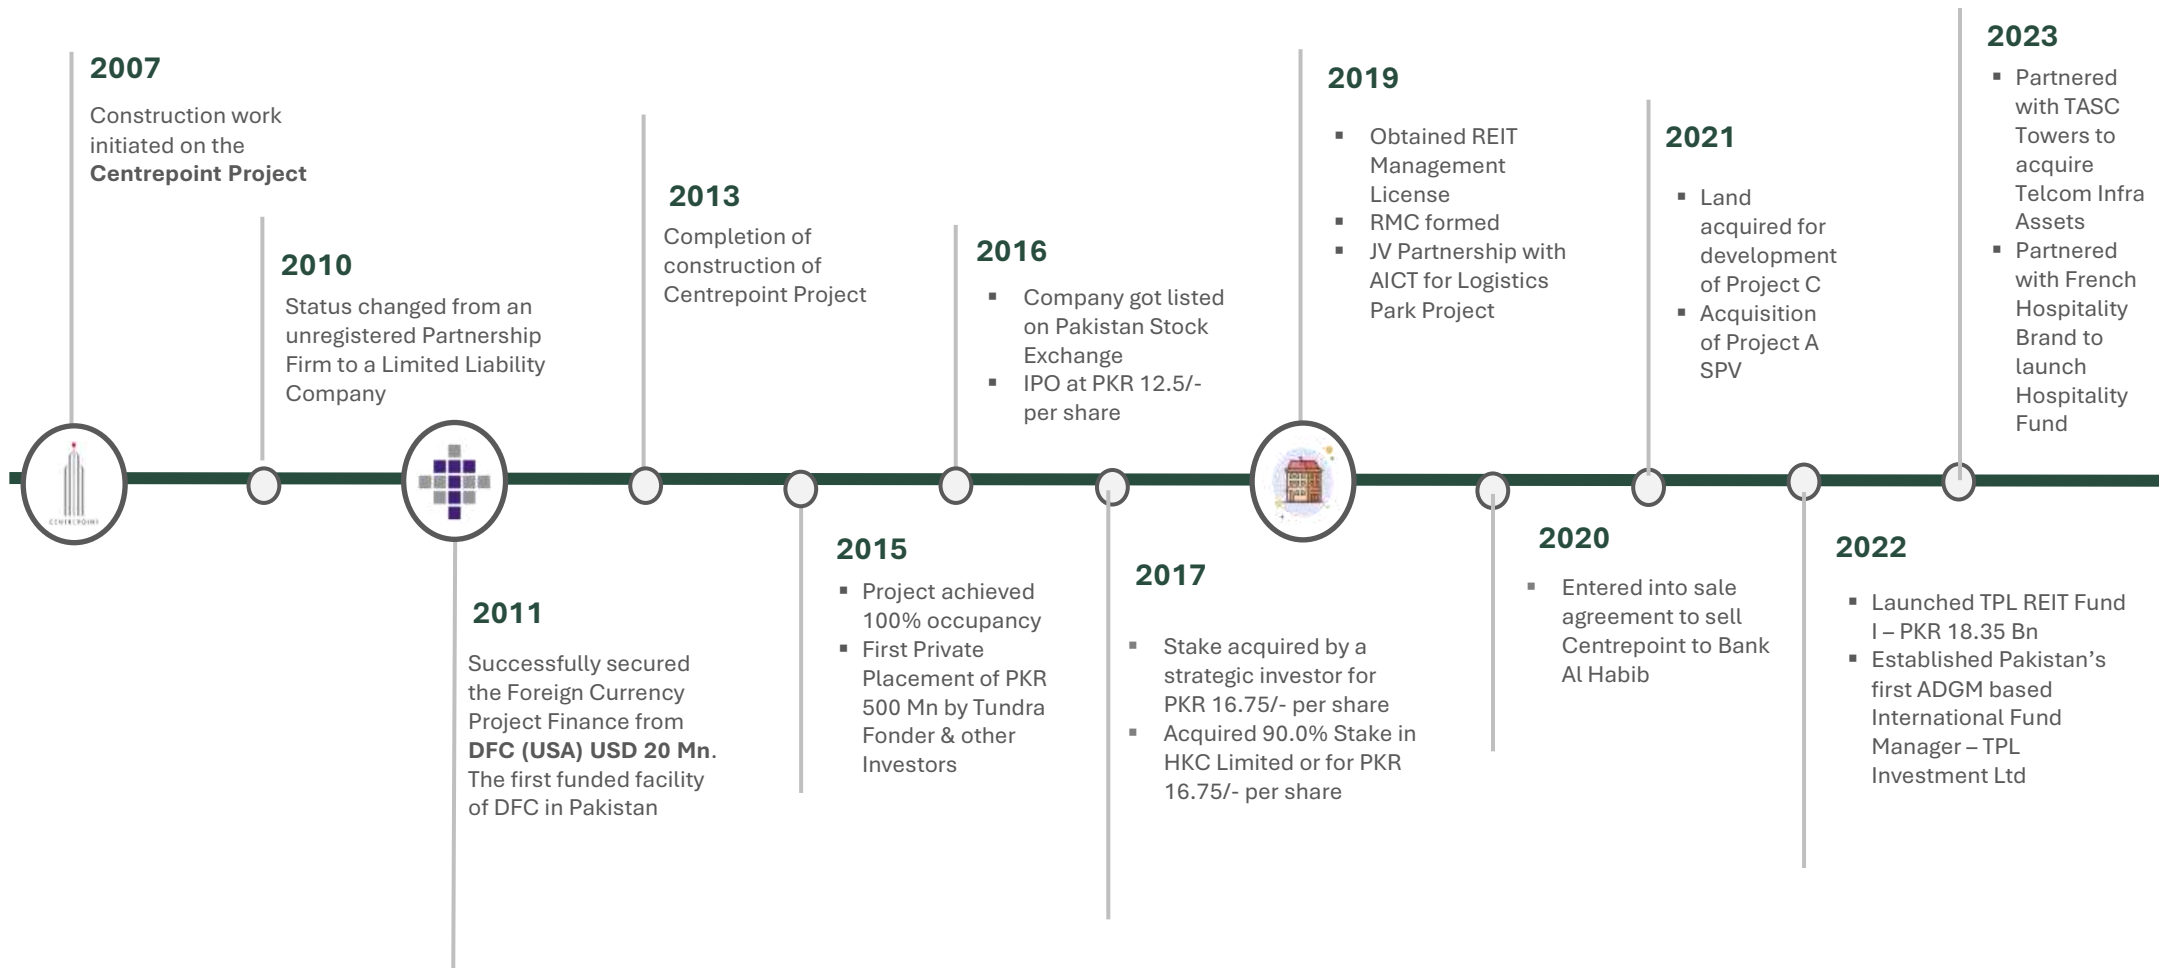

Its fully owned subsidiaries include TPL RMC (the REIT Manager of its projects), TPL Developments (the Developer of its projects) and TPL Property Management (the Property Manager of its projects). TPL RMC has a wholly owned subsidiary named TPL Investment Limited which shall serve as the Fund Manager for the Offshore Feeder Fund of the REIT Scheme.

Notes:

1. A high GP margin is observed because ~50% of the revenue of TPL Corp in FY2022 and ~36% of the revenue in FY2023 consists of gain on sale of property and fair value gain on investments and no cost is associated to these items
2. Net Income declined in FY2023 due to increase in administrative expenses (mostly salaries and wages) by PKR 1.2 bn, finance cost by PKR 0.7 bn, other expenses and taxation.
3. Please refer to the reason mentioned above for low EPS. Further, the EPS reflects the owner’s portion which

is negative. Some of the subsidiaries in which TPL Corp has controlling stake (>51%) incurred losses, while primarily TPLP in which it has 38.4% stake reported profit because of which there is profit on consolidated basis.

4. TPL Corp has not been paying dividends for the past few years because some of the businesses in which it has invested are in a growing phase and they not only require earnings plowback but also an additional support from the TPL Corp. Therefore, TPL Corp is supporting and strengthening these businesses to create long term value while deferring current pay outs.

5. Return on assets has decreased due to decrease in profit for the period and increase in total assets of the company by PKR 5 bn on the other hand.

Note:

1. The lower profitability in 2022 is mainly attributed to realized and unrealized losses in equity market and mutual funds and investments made in digital infrastructure and penetration into new segments. Insurance penetration in Pakistan is comparatively low in the region. The company is focused on digitizing its operations by providing innovative insurance solutions to the customers. The Company looks to continue on the path of innovation and disruption with customer centric solutions that deliver customer needs and surpass customer expectations. It is continuously expanding its existing product base and improving customer experience with tech driven solutions such as advanced telematics, wellness solutions and 'Buy Now Pay Later' offering. These solutions shall cement company's position as an insurtech leader with improved digital footprint, advance risk management via customer profiling and price optimization. The investment in technology and new product suites shall improve the company's profitability in the longer term.

Notes:

1. A high gross margin is observed because ~92% of the revenue of TPLP in FY2022 and ~78% of the revenue in FY2023 consists of gain on sale of property and unrealized gain on investments and no cost is associated to these items.
2. Increase in net margin in FY2022 is on account of significant increase in topline of the company and lower expenses, thereby also increasing the total income.
3. Decrease in net margin is due to increase in expenses by PKR 0.8 bn, loss from discontinued operations and increase in taxation, thereby affecting the net income.

Notes:

1. The company generated operating profits in all these years but generated net loss in FY2021 and FY2023 due to higher level of debt and subsequently, higher finance cost. For FY2023 specifically, although overall levels of debt decreased, the higher interest rates resulted in higher finance costs.
2. Decrease in breakup value from FY2021 to FY2022 is on account of decrease in total assets. While the decrease in breakup value from FY2022 to FY2023 is due to increase in liabilities of the company.

### 6.4 SUMMARY OF THE SUBSTANTIVE PROVISIONS OF THE TRUST DEED

Digital Custodian Company Limited (“DCCL”) was appointed as the Trustee of the REIT Scheme via the Trust Deed dated December 06, 2021, executed between the Trustee and TPL RMC, and registered under the Sindh Trust Act on December 10, 2021. The Trust Deed governs the way in which the REIT operates and sets out the rights and benefits attaching to the Units.

The following paragraphs have been summarized from the Trust Deed, therefore, any reference to an article means reference to the article of the Trust Deed and capitalized terms shall have the same meaning as they have been assigned to in the Trust Deed.

Further, please note that the Trust Deed was prepared pursuant to the Real Estate Investment Trust Regulations, 2015 which are updated from time to time. Accordingly, in accordance with Article 38.1 of the Trust Deed, where there is any conflict between the provisions of the Trust Deed and the REIT Regulations (as prevailing from time to time), the provisions of then applicable REIT Regulations will prevail.

It may however be noted that the REIT Regulations prescribe minimum requirements, obligations, and rights for the protection of the investors. Accordingly, the Trust Deed may contain provisions that confer additional requirements, obligations, and rights over and above such minimum requirements so long as the same are not in direct conflict with the provisions of the REIT Regulations. Such provisions of the Trust Deed are supplementary in nature and are therefore not considered in conflict with the framework stipulated by the REIT Regulations.

### **Objective of the Trust**

The REIT Scheme has been established with the objective of investing in REIT Projects through SPVs in accordance with the Constitutive Documents and Applicable Laws to generate income/returns for Unit Holders.

### **Rights of the Beneficiaries of the Trust**

The beneficiaries under the Trust are the Unit Holders who enjoy all rights in accordance with the Constitutive Documents and the REIT Regulations. For more information, please refer to Section 6.5 of the OFSD.

### **Obligations of the Trustee**

The Trust Deed executed between TPL RMC and DCCL outlines the obligations of the Trustee in TPL REIT. DCCL is obligated to carry out and ensure the following key duties:

- i. exercise due diligence and vigilance in carrying out its functions and duties under the Constitutive Documents, REIT Regulations and all other applicable laws;
- ii. ensure that the REIT Assets are held by it on behalf of the Unit Holders in accordance with the Constitutive Documents and applicable laws;
- iii. ensure that the title to all REIT Assets is lawfully vested in it;
- iv. deposit all the money received by it in relation to the REIT Scheme with a bank which has the minimum rating as prescribed under the REIT Regulations;
- v. carry out the instructions of RMC (including in relation to the acquisition, disposal of or otherwise dealing with the REIT Assets) from time to time in relation to the REIT Scheme, unless such instructions are in conflict with the Constitutive Documents and applicable laws;
- vi. immediately inform the SECP of any action of the TPL RMC related to the REIT Scheme that is reasonably expected to be in the knowledge of the Trustee and that contravenes applicable laws;
- vii. ensure that the real estate proposed by the RMC for investment through a SPV meets the requirements of the Constitutive Documents and the REIT Regulations; and
- viii. perform any other duty or obligation as may be imposed on it from time to time under the Constitutive Documents and Applicable Laws.

For more details, please refer to Article 12 of the Trust Deed and the REIT Regulations which can be accessed from <https://www.secp.gov.pk/document/real-estate-investment-trust-regulations-2022/?wpdmdl=46227&refresh=65e80438de9fc1709704248>.

## Rights and Powers of the Trustee

The Trustee has all powers and rights as are necessary for performing its duties, functions and obligations under the Constitutive Documents and the REIT Regulations which powers and rights shall only be exercised in accordance with the Constitutive Documents and applicable laws.

For more details, please refer to Article 12.2 of the Trust Deed and the REIT Regulations which can be accessed from <https://www.secp.gov.pk/document/real-estate-investment-trust-regulations-2022/?wpdmdl=46227&refresh=65e80438de9fc1709704248>

## Obligations of the REIT Management Company

The day-to-day management and operation of the REIT Scheme is delegated to and is the responsibility of the REIT Management Company in accordance with the Constitutive Documents and in accordance with the REIT Regulations. TPL RMC's (as the REIT Management Company) material obligations include:

- (a) ensure that the Real Estate transferred to, or already held by, the SPVs meets the requirements prescribed under the REIT Regulations, including the title thereof being free from all defects, encroachments, and encumbrances, except encumbrances resulting from Borrowing (if any) as permitted and contemplated in the Constitutive Documents;
- (b) arrange transfer of Real Estate to the SPV, or arrange or cause the issuance/transfer of shares of SPV owning the Real Estate to REIT Scheme, as per binding agreements;
- (c) ensure that the REIT Assets are held in the name of the Trustee for the benefit of the Unit Holders, and the REIT Project Assets are held in the name of the SPVs, in accordance with the provisions of the Constitutive Documents and the REIT Regulations;
- (d) manage the REIT Scheme and SPVs in the best interest of Unit Holders in accordance with the Constitutive Documents and all Applicable Laws;
- (e) with the consent of the Trustee, appoint REIT intermediaries for smooth functioning of REIT Scheme;
- (f) within the prescribed timelines, prepare, and transmit (via website or in printed form) or make available on its website to the Unit Holders, the Trustee, the SECP and, where applicable, the stock exchange(s) (including PSX) on which the Units of a REIT Scheme are listed, quarterly and annual financial statements and other specified documents in accordance with the REIT Regulations;
- (g) obtain updated rating for the REIT Scheme on annual basis, or at such other time as may be specified by the SECP, and publish such rating in the accounts and advertising material;
- (h) determine or cause to determine the NAV of the REIT Scheme in accordance with the Constitutive Documents and the REIT Regulations;
- (i) adopt all the necessary arrangements for ensuring prevention of money laundering and terrorist financing in compliance with Applicable Laws;
- (j) comply with the regulations of the stock exchange(s) on which the Units of a REIT Scheme are listed (including the PSX Regulations); and
- (k) any other duty or obligation as may be imposed from time to time on the REIT Management Company under the Constitutive Documents and the REIT Regulations.

For more details, please refer to Article 10 of the Trust Deed and REIT Regulations which can be accessed from <https://www.secp.gov.pk/document/real-estate-investment-trust-regulations-2022/?wpdmdl=46227&refresh=65e80438de9fc1709704248>

### **Powers of the REIT Management Company**

The REIT Management Company has all powers and rights as are necessary for performing its duties, functions and obligations under the Constitutive Documents and the REIT Regulations in respect of the REIT Scheme and SPVs. TPL RMC (as REIT Management Company) has the power to carry out any and all of the objects and purposes of the REIT Scheme and request any necessary information from any Unit Holder as required by applicable laws etc.

For more details, please refer to Article 10.2 of the Trust Deed and REIT Regulations which can be accessed from <https://www.secp.gov.pk/document/real-estate-investment-trust-regulations-2022/?wpdmdl=46227&refresh=65e80438de9fc1709704248>.

### **Trustee and REIT Management Company Limitation of Liability and Indemnity**

To the fullest extent permitted by applicable law, the Trustee, REIT Management Company and their respective directors, officers, employees and agents shall not be liable to TPL REIT, the Unitholders, Project SPVs or any third party for any action or omission taken by them in connection with the management, operation, business or activities of TPL REIT and Project SPVs or otherwise in connection with the Constitutive Documents, or any loss due to any such action or omission, unless such action or omission resulted from such indemnified person's fraud, gross negligence or willful misconduct. The REIT Management Company nor the Trustee shall be liable for any loss or damage caused to TPL REIT (or the Unit Holders in general), Project SPVs or REIT projects on account of any force majeure or frustration of contract (as defined in the Trust Deed).

To the fullest extent permitted by Applicable Law, TPL REIT shall also indemnify and keep indemnified and hold harmless the Trustee, REIT Management Company and their respective directors, officers, employees and agents (including former directors, officers, employees and agents) against any and all liabilities, claims, costs, demands, damages, losses and expenses (including legal fees and other legal costs, amounts paid in satisfaction of judgments, compromises or settlements, fines and penalties, and reasonable expenses of investigating or defending against any claim or alleged claim) of any nature whatsoever, known or unknown, liquidated or un-liquidated, incurred in connection with any threatened, pending or completed legal action, suit or proceeding (civil, criminal, administrative or investigative) in connection with or relating to the management, operation, business or activities of TPL REIT and Project SPVs, provided however that such indemnity shall not apply where such legal action, suit or proceeding resulted from such indemnified person's fraud, gross negligence or willful misconduct.

### **Remuneration of the REIT Management Company**

The RMC is entitled to a management fee (Wakalah fee) and performance fee which is stated in this Offering Document in sections 3.12.1 and 3.12.2.

### **Remuneration of the Trustee**

The Trustee is entitled to annual remuneration as specified in this Offering Document in section 3.14. The remuneration due to the Trustee is payable quarterly in arrears and is chargeable as an expense to the REIT Scheme in the relevant accounting period.

### **Removal or Retirement of the Trustee**

The Trustee may be removed by SECP in the case of liquidation or in the best interest of Unit Holders (including where the Trustee is acting in violation of the Constitutive Documents and REIT Regulations). The Trustee may

also be removed by the RMC after informing the SECP of such change along with cogent reasons and supporting evidence.

The Trustee may, upon giving at least thirty (30) days' notice in writing to the REIT Management Company, retire from its office, provided that the retiring Trustee shall continue to perform its functions as trustee of TPL REIT and to receive the remuneration until appointment of the new Trustee and assumption of assets by such new Trustee. The cost of transfer of TPL REIT to the new Trustee shall be borne by the retiring Trustee.

For more details, please refer to Article 13 of the Trust Deed and the REIT Regulations which can be accessed from <https://www.secp.gov.pk/document/real-estate-investment-trust-regulations-2022/?wpdmdl=46227&refresh=65e80438de9fc1709704248>.

### **Removal of the REIT Management Company**

The REIT Management Company may be removed only upon the occurrence of any of the following events:

#### ***Disabling Event Removal***

Within sixty (60) days of the Unit Holders being notified by RMC of a Disabling Event, the Unitholders by way of a special resolution may decide to continue TPL REIT and to appoint a replacement RMC.

*“Disabling Event” means, in relation to RMC, where: (a) RMC goes into liquidation, becomes insolvent or has a liquidator or receiver or administrator appointed over its assets, provided that a Disabling Event shall not be deemed to have occurred where insolvency or liquidation proceedings or petitions initiated or filed against RMC are frivolous or vexatious and are discharged, stayed or dismissed within sixty (60) days of commencement; or (b) RMC’s license is cancelled or is not renewed pursuant to a final order or determination of the SECP.*

#### ***For Cause Removal***

Within thirty (30) days of the Unit Holders being notified by RMC of a Removal Conduct, the Unitholders may by way of a special resolution decide to remove RMC on not less than sixty (60) days' advance written notice. For the avoidance of doubt, the Unit Holders shall not be entitled to remove the RMC for cause if they fail to pass a special resolution for removal of the RMC within thirty (30) days of being notified of any Removal Conduct, in which case the RMC shall continue to undertake its duties in accordance with the Constitutive Documents and applicable law.

*“Removal Conduct” means with respect to RMC, a final judgment or determination of a court or governmental or regulatory body of competent jurisdiction (other than a preliminary or interim judgment, but including a guilty plea, as well as any settlement entered into in connection with any litigation which includes an admission of the applicable conduct) that RMC has committed:*

- *fraud, gross negligence, or willful misconduct in connection with the performance of its duties under the Constitutive Documents;*
- *a criminal offence;*
- *a material violation of any applicable laws that adversely affects the ability of TPL REIT to conduct its business and affairs in a significant manner, provided however, that RMC shall not be deemed to have engaged in such a material violation: (a) where RMC has acted in good faith and in accordance with the advice of reputable legal counsel that was monitored and selected with due care; or (b) where such violation is caused by a Unit Holder’s(s’) failure to comply with a request for information by RMC from such Unit Holder(s) pursuant to the terms of the Constitutive Documents; or*

- *a material breach of RMC's obligations under the Constitutive Documents that is likely to have a material adverse effect on TPL REIT and/or the SPV(s), and RMC fails to cure such material breach (if curable) within sixty (60) days of such judgment or determination.*

For the avoidance of doubt, a for cause removal shall be limited to the acts of RMC only, and not the conduct of any single member or personnel of RMC or its affiliates.

#### ***Without Cause Removal***

If, at any time after listing of TPL REIT on the PSX, the Unit Holders by way of a special resolution decide to remove RMC on not less than one hundred and twenty (120) days advance written notice. For the avoidance of doubt RMC can only be removed by the Unit Holders without cause after the listing of TPL REIT on the PSX.

#### ***SECP Removal***

Where, in the opinion of the SECP, further management by RMC of TPL REIT and its SPVs by RMC is detrimental to the interests of the Unit Holders or the REIT projects as a whole or for any other reason which is to be recorded in writing by the SECP, provided that the RMC shall be given an opportunity of a hearing before any action is taken against it pursuant to this provision.

In the event of a SECP removal, the removal of RMC, and the rights and obligations of the outgoing RMC, shall be in accordance with and subject to the directives of the SECP.

#### ***RMC Continuing to Act***

Notwithstanding the sixty (60) days' advance written notice from the date of the special resolution for a cause removal, the RMC shall continue to perform its functions as the management company of TPL REIT for an additional period of sixty (60) days (which can be further extended subject to agreement with the Unit Holders and SECP) if a successor RMC has not been appointed with the approval of the Unit Holders by way of a special resolution (on or before the expiry of the aggregate sixty (60) days' advance notice period and additional sixty (60) day period), and such successor RMC has not become bound by the provisions of the Constitutive Documents by executing, subject to the approval of the SECP, a supplemental Trust Deed with the Trustee and the successor RMC, a supplemental Management Agreement with the TPL REIT, and a supplemental SPV Management Services Agreement with the SPVs.

Notwithstanding the one hundred and twenty (120) days' advance written notice from the date of the special resolution for a without cause removal, the RMC may continue to perform its functions as the management company of TPL REIT for an additional period subject to agreement with the Unit Holders and the SECP if a successor RMC has not been appointed with the approval of the Unit Holders by way of a special resolution on or before the expiry of the one hundred and twenty (120) days' advance notice period, and such successor RMC has not become bound by the provisions of the Constitutive Documents by executing, subject to the approval of the SECP, a supplemental trust deed with the Trustee and the successor RMC, supplemental Management Agreement with TPL REIT, and a supplemental SPV Management Services Agreement with the project SPVs.

In the event of a disabling event removal, the successor RMC shall be appointed on or as soon as possible after the date of passing the special resolution requiring the removal of RMC and in any event within a period not exceeding sixty (60) days from the date such special resolution is passed.

If a successor RMC has not been appointed to replace outgoing RMC within the periods set out in this section, TPL REIT may be extinguished in accordance with Section 6.4.

### ***Rights and Obligations of Outgoing RMC***

In the event of a Disabling Event removal, for cause removal or without cause removal, the outgoing RMC shall have the following rights.

#### **Disabling Event Removal**

Management Fees: The outgoing RMC shall remain entitled to receive payment of 80% of the Management Fees which are due and payable to the outgoing RMC from TPL REIT for the relevant quarter in the relevant accounting period calculated pro rata as of the date immediately prior to the date on which the outgoing RMC ceases to be RMC of TPL REIT i.e. actual date of removal of outgoing RMC ("Removal Date").

Notwithstanding the above, any Management Fees that have accrued and that remain unpaid in respect of any previous quarters in any accounting periods shall be due and payable in full on or prior to the Removal Date.

Performance Fees: The outgoing RMC shall remain entitled to receive payment of 80% of the Performance Fees which would otherwise be due and payable to the outgoing RMC from TPL REIT for the relevant accounting period calculated pro rata as of the date immediately prior to the Removal Date.

Notwithstanding the above, any Performance Fees that have accrued and that remain unpaid in respect of any previous accounting periods shall be due and payable in full on or prior to the Removal Date.

Expenses: The outgoing RMC shall remain entitled to receive in full (and without any deductions) any reimbursements of expenses and other amounts that have accrued and that remain unpaid from TPL REIT for actions taken on or prior to the Removal Date (which will become due and payable on or prior to the Removal Date).

Late Payment: Following a Disabling Event removal, if any amounts payable to the outgoing RMC are not paid within the time periods stipulated, such amounts will incur a 9% per annum late payment charge to cover the costs and expenses of the outgoing RMC for such late payment.

Indemnities/Limitation of Liability: Notwithstanding the termination of RMC's appointment, RMC shall continue to benefit from the limitation of liability and indemnification provisions as set out in this section to the extent of the outgoing RMC's actions and/or omissions on or prior to the Removal Date.

#### **For Cause Removal**

Management Fees: The outgoing RMC shall remain entitled to receive payment of 80% of the Management Fees which are due and payable to the outgoing RMC from TPL REIT for the relevant quarter in the relevant accounting period calculated pro rata as of the date immediately prior to the Removal Date.

Notwithstanding the above, any Management Fees that have accrued and that remain unpaid in respect of any previous quarters in any accounting periods shall be due and payable in full on or prior to the Removal Date.

Performance Fees: The outgoing RMC shall remain entitled to receive payment of 80% of the Performance Fees which would otherwise be due and payable to the outgoing RMC from TPL REIT for the relevant accounting period calculated pro rata as of the date immediately prior to the Removal Date.

Notwithstanding the above, any Performance Fees that have accrued and that remain unpaid in respect of any previous accounting periods shall be due and payable in full on or prior to the Removal Date of the outgoing RMC.

Expenses: The outgoing RMC shall remain entitled to receive in full (and without any deductions) any reimbursements of expenses and other amounts that have accrued and that remain unpaid from TPL REIT for actions taken on or prior to the Removal Date (which will become due and payable on or prior to the Removal Date).

**Late Payment:** Following a for cause removal, if any amounts payable to the outgoing RMC are not paid within the time periods stipulated, such amounts will incur a 9% per annum late payment charge to cover the costs and expenses of the outgoing RMC for such late payment.

**Indemnities/Limitation of Liability:** Notwithstanding the termination of RMC's appointment, RMC shall continue to benefit from the limitation of liability and indemnification provisions as set out in this section to the extent of the outgoing RMC's actions and/or omissions on or prior to the Removal Date.

### **Without Cause Removal**

**Management Fees:** The outgoing RMC shall be entitled to receive payment of any Management Fees which would otherwise be due and payable to the outgoing RMC from TPL REIT for the relevant quarters in the relevant accounting period in full and without any deductions.

Notwithstanding the above, the outgoing RMC shall also be entitled to receive:

- (i) any Management Fees that have accrued and that remain unpaid in respect of any previous quarters in any accounting periods, which amounts shall be due and payable in full on or prior to the Removal Date; and
- (ii) Management Fees, without any deductions, for a period of eighteen (18) calendar months after the Removal Date. The timing of payments of such amounts shall be in line with the payment mechanics set out in this OFSD.

**Performance Fees:** The outgoing RMC shall be entitled to receive payment of any Performance Fees which would otherwise be due and payable to the outgoing RMC from TPL REIT for the relevant accounting period in full and without any deductions.

Notwithstanding the above, the outgoing RMC shall also be entitled to receive:

- (i) any Performance Fees that have accrued and that remain unpaid in respect of any previous accounting periods, which amounts shall be due and payable in full on or prior to the Removal Date; and
- (ii) Performance Fees, in full without any deductions, for a period of eighteen (18) calendar months after the Removal Date. The timing of payments of such amounts shall be in line with the payment mechanics set out in this OFSD.

**Expenses:** The outgoing RMC shall remain entitled to receive in full (and without any deductions) any reimbursements of expenses and other amounts that have accrued and that remain unpaid from TPL REIT for actions taken on or prior to the Removal Date (which will become due and payable on or prior to such Removal Date).

**Late Payment:** Following a without cause removal, if any amounts payable to the outgoing RMC are not paid within the time periods stipulated, such amounts will incur a 9% per annum late payment charge to cover the costs and expenses of the outgoing RMC for such late payment.

**Indemnities/Limitation of Liability:** Notwithstanding the termination of RMC's appointment, RMC shall continue to benefit from the limitation of liability and indemnification provisions as set out in this section to the extent of the outgoing RMC's actions and/or omissions on or prior to the Removal Date.

In the event of a Disabling Event removal, for cause removal or without cause removal, the outgoing RMC shall have the following obligations:

- the outgoing RMC shall, subject to the approval of SECP, execute all such documents as are necessary for the purpose of transfer of management rights of the REIT Scheme and the SPVs to the successor RMC;

- the outgoing RMC shall forward all documents, books, records, correspondence, and databases (whether physical or electronic) in the outgoing RMC's possession and related to investments or the administration of TPL REIT and SPVs to the successor RMC (to the extent such records are not proprietary information or databases of the outgoing RMC and/or the outgoing RMC is not required by applicable law to retain any such records).
- during the advance notice periods or any additional or extended periods applicable to for cause removal or without cause removal and until the Removal Date the RMC shall: (i) only take those actions in respect of the TPL REIT that have already been approved by the Board of Directors of the RMC prior to the Unit Holders passing a special resolution for removal of the RMC, or are otherwise in the ordinary course of business; and (ii) shall continue to act in the best interests of TPL REIT, in line with best market practices;
- the outgoing RMC shall be required to sell to the successor RMC its Units in TPL REIT (if any) at NAV per Unit (as at the time of transfer) if required or instructed by the SECP to ensure compliance with the minimum holding requirements prescribed under the REIT Regulations.

### **Extinction / Dissolution of the REIT Scheme**

The REIT Scheme shall continue in perpetuity until the same is extinguished and dissolved on the happening of one or more of the following events:

- a) if in the opinion of the REIT Management Company, the objective of the REIT Scheme and its REIT projects has been achieved and all REIT Assets (including interests in SPVs) have been disposed of and/or wound up/liquidated in accordance with the Constitutive Documents and the REIT Regulations;
- b) if the Unit Holders pass a Special Resolution demanding revocation of the Trust for any reason (as applicable) contemplated under Article 36 of the REIT Regulations, 2022 (previously Article 40 of the repealed REIT Regulations, 2015);
- c) if, following the removal of the REIT Management Company pursuant to Article 11(a) to (c) of the Trust Deed, no successor REIT Management Company is appointed within the period set out in this OFSD;
- d) if, in the opinion of REIT Management Company, the REIT Scheme and its REIT projects are no longer commercially viable or the purpose of the REIT Scheme cannot be accomplished or its objective cannot be achieved for any reason, and the Unit Holders have consented to such an action through a Special Resolution (provided that REIT Management Company shall not vote at such meetings and its presence shall not be counted towards requisite voting for Special Resolution);
- e) if the SECP deems it necessary to revoke the REIT Scheme and directs the Trustee or REIT Management Company to revoke the REIT Scheme in the interest of Unit Holders;
- f) if in the opinion of the Trustee an event or circumstance has occurred which, as per the Trust Deed, requires the REIT Scheme to be revoked; or
- g) if the REIT Scheme fails to invest in a single REIT Project within the time period stipulated under the REIT Regulations.

**Modification of Trust Deed**

The Trustee and REIT Management Company acting together shall be entitled by a supplemental trust deed to modify, alter or add to the provisions of the Trust Deed in such manner and to such extent as they may consider expedient for any purpose, subject to the prior review of Shariah Advisor and prior notice of at least ten (10) Business Days to each Unit Holder about the proposed change(s).

**Dispute Resolution**

In the event of any dispute arising out of the Constitutive Documents between the REIT Management Company on the one part and the Trustee on the other part (including disputes as to the respective rights and obligations of the Parties hereto or those relating to the interpretation of the terms and the conditions of the Constitutive Documents), the same shall be referred to arbitration under the Arbitration Act, 1940, by two (2) arbitrators, one to be appointed by the REIT Management Company and the other to be appointed by the Trustee. In the event that the two (2) arbitrators are unable to arrive at a unanimous decision, the two arbitrators shall appoint an umpire whose decision shall be final. The arbitrators and the umpires shall be selected from amongst, senior partners of renowned firms of chartered accountants, or senior partners of renowned law firms, CFA charter holders in good standing, or senior bankers or senior members of the PSX, (who may even be the heads of corporate members). The venue of the arbitration shall be Karachi.

**6.5 OTHER DISCLOSURES****Rights and Liabilities of the Unit Holders*****Management Affairs***

No Unit Holder shall have the right or power to participate in the management or affairs of TPL REIT and project SPVs (including in relation to voting rights attached to any TPL REIT Assets), except to the extent of the limited voting rights as provided in the Constitutive Documents and REIT Regulations. No Unit Holder shall have the power to sign for or bind TPL REIT and project SPVs.

***Unit Holders Ranking Pari Passu***

The Unit Holders rank *pari passu* inter se, according to the number of Units held by each Unit Holder in TPL REIT. All Unit(s) represent an undivided share in the TPL REIT Assets and rank *pari passu* as to their rights in the net assets of TPL REIT, earnings, and the receipt of the dividends and distributions and, each Unit Holder has a beneficial interest in TPL REIT proportionate to the Unit(s) held by such Unit Holder(s).

***Access to books and records***

The Unit Holders shall be entitled to inspect the books and records of TPL REIT and have access to TPL REIT's balance sheet, profit and loss statement, cash flow statement, summary of the valuation report and statement of the movement in NAV along with the report of the Trustee, the report of the Auditor, report of Shariah Advisor, and any other document as specified by the SECP.

***Redemptions***

TPL REIT is a closed-end scheme and hence the Unit Holders shall not have any right to require TPL REIT to redeem their Units. The Units shall only be redeemed: (a) in part on pro rata basis, upon the liquidation or disposal of a Project SPV for distributing liquidation/sale proceeds (after payment of all associated liabilities and expenses) of such Project SPV to the Unitholders by way of a redemption of Units; or (b) in full, upon the extinguishment and revocation of TPL REIT in accordance with section 6.4 of this OFSD. The Units shall be redeemed in accordance with the provisions of the Constitutive Documents and the REIT Regulations. For the avoidance of doubt, the Units are not otherwise redeemable during the life of TPL REIT.

Redemption shall be done at such redemption price as is notified by the REIT Management Company to the Unitholders. Redemption amounts shall be distributed to the Unitholders pro rata to their interest in TPL REIT and will be paid in cash.

### ***Other Rights***

Unit Holders shall also have the right to:

- (a) Distributions / dividends in accordance with the dividend policy of TPL REIT as discussed in section 10.16;
- (b) participate in rights issue of Units by TPL REIT in proportion to their existing Units;
- (c) subject to applicable laws, transfer their Units and/or pledge / lien all or any of his Units as security for any debt of the Unit Holder or any third party; and
- (d) to the proceeds from the sale of TPL REIT Assets in accordance with the REIT Regulations.

### ***Liability of Unit Holders***

The Unit Holders shall not have any personal liability whatsoever in its capacity as a Unit Holder whether to TPL REIT, to any of the Unit Holders or to the creditors of TPL REIT, for the debts, liabilities, contracts, or any other obligations of TPL REIT or for any losses of TPL REIT, except as specifically set forth in the Trust Deed or this OFSD.

The Unit Holders will not be liable to make any payment after it has paid the consideration against the price of the Unit (either as cash or against transfer of the real estate to Project SPV or the transfer/issuance of shares of Project SPV holding the real estate, as applicable) and a Unit Holder shall not be obligated to make any further contribution to TPL REIT to repay to TPL REIT, any Unit Holder or any creditor of TPL REIT.

No Unit Holder shall be entitled to any interest or compensation by reason of payment of the subscription price or by reason of serving as a Unit Holder. Further, no Unit Holder shall be required to lend any funds to TPL REIT.

### ***Meetings of the Unit Holders***

Voting rights of the Unit Holders shall be exercisable in a meeting of the Unit Holders which shall be held in accordance with the procedures prescribed under the REIT Regulations.

### ***Obligations of the Unit Holders***

Each Unit Holder shall have the obligation to provide to the RMC such information as the RMC deems necessary to comply with its obligations under applicable laws and/or to eliminate or reduce the exposure of TPL REIT or the Unit Holders, in general, to adverse tax or regulatory consequences. Where a Unit Holder(s) fails to comply with any information request of the RMC, the RMC shall also have the right, power and authority to take all such actions against such Unit Holder(s) as are required by applicable laws or otherwise deemed necessary by the RMC in the best interest of TPL REIT or the Unit Holders in general (including but not limited to reporting to the SECP or any other relevant tax or regulatory authority or Government agency).

## 7. PRINCIPAL PURPOSE OF THE OFFER

---

Unitholders of the REIT Scheme have unanimously resolved to conduct listing of the REIT Scheme. The decision to list the REIT Scheme is driven by the following:

### A. Interest of Foreign Investors

There has been encouraging feedback from foreign investors to invest in TPL REIT Fund I. TPL RMC has been receiving queries from multiple foreign investors regarding participation in TPL REIT and listing has appeared to be one of the key criteria for their decision to invest. This is mainly because investment proceeds for a listed instrument/security can be conveniently routed through Special Convertible Rupee Account (SCRA).

It is pertinent to note that non-residents are allowed to trade freely in the units of funds quoted on the Stock Exchange(s) in Pakistan through Special Convertible Rupee Account (SCRA) pursuant to Paragraph 9A of Chapter 20 of the Foreign Exchange Manual issued by State Bank of Pakistan.

### B. Broaden Investor Base

The existing investors of TPL REIT include TPLP and commercial banks. Listing of the REIT Scheme will make the instrument eligible for a wider investor base with the inclusion of mutual funds, pension funds, employee funds, life insurance companies and other investors which require prices on daily basis to mark-to-market their investment.

### C. Regulatory Oversight

REITs operate in a highly regulated and structured manner. TPL REIT already has a robust corporate governance framework, however, listing of the REIT Scheme will further improve corporate governance by including regulatory oversight by PSX.

### D. Price Prospect

A NAV on account of continuing progress on the three projects of TPL REIT will be quarterly disseminated through PSX providing potential investors with periodic updates giving impetus to the listed Units price. A quoted price will be beneficial to all investor portfolios that are marked to market.

### E. Compliance with REIT Regulations

This will also ensure compliance with Regulation 7 of the REIT Regulations which require a REIT Scheme to be listed within a maximum period of three (3) years from the date of Transfer of Real Estate or financial close whichever is later.

## 8. VALUATION SECTION

---

The Units of TPL REIT Fund I are being offered at an **Offer Price of PKR 17.59/- per Unit** which is at a premium of PKR 7.59/unit to its par value but is **equivalent to the latest NAV** of the REIT Scheme as certified by the Auditor (as of December 28, 2023).

Valuation of any investment opportunity is assessed / justified by considering both quantitative and qualitative factors. In terms of quantitative assessment, this is highlighted that no premium is being charged over the latest audited book value (NAV) of the REIT Scheme, entailing that the all upside has been left on the table for the incoming IPO investors.

Qualitative factors contribute to investors' perception of an investment opportunity's attractiveness, potential upside, and alignment with their investment objectives. If an investment opportunity is able to integrate such qualitative features which are critical for sophisticated investors (local and foreign), demand for the investment opportunity typically increases, leading to higher valuations and investment inflows which ultimately should reflect in the market price.

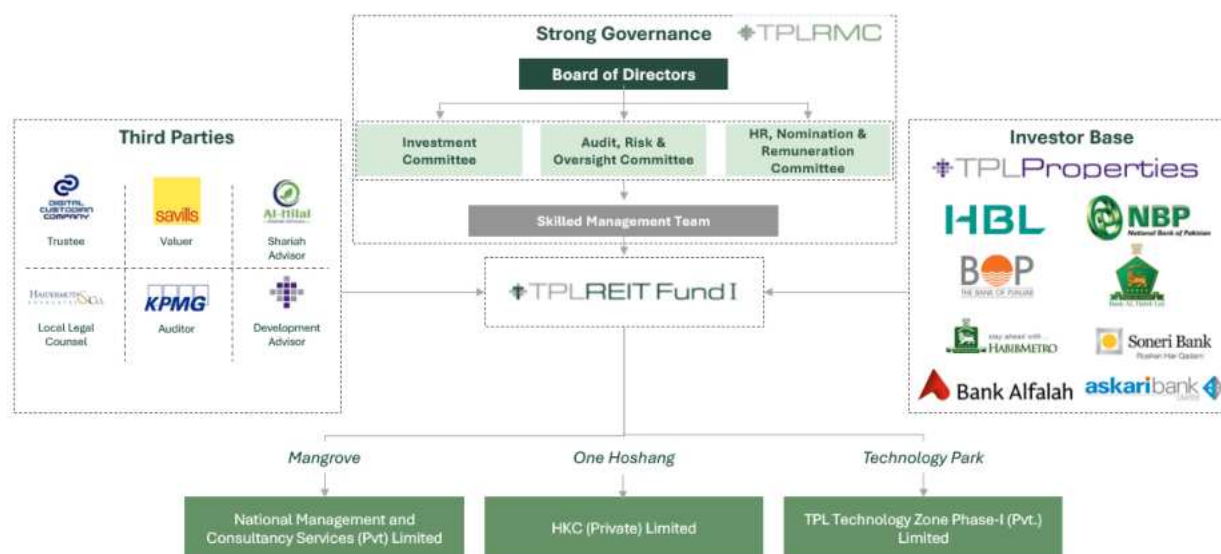

Some of the qualitative features of TPL REIT justifying the valuation are deliberated below:

### 8.1 INTERNATIONAL STANDARD GOVERNANCE

TPL REIT is managed under a transparent structure with SPVs ownership vested in Trustee and involvement of several third parties. The REIT Scheme is being managed by TPL RMC, responsible for providing strategic planning, project management and financial oversight while maintaining high standards of excellence in terms of quality.

TPL RMC operates under a robust governance framework that is in conformity with international standards. The Board of Directors of TPL RMC are highly qualified and experienced professionals, comprising both, the management team members, and independent professionals. The governance structure is supported by a Shariah Advisor that ensures that the REIT Scheme adheres to Islamic principle. Board committees are also in place for policy making.

The senior management comprises of robust team of individuals who bring invaluable international and domestic experience with their careers spanning over two decades (detailed overview of the management team is given in section 11 of this Offer for Sale Document). Several third parties such as Trustee, Valuer, Shariah Advisor, Legal Counsel and Auditor are also part of operations of the REIT Scheme which enhances transparency and investor confidence. A pictorial view of the operating structure of the REIT Scheme is given below:

Presence of a strong governance structure increases investor confidence which leads to increase in demand.

## 8.2 DIVERSIFIED POOL OF REAL ESTATE ASSETS

The REIT Scheme has invested in diversified pool of real estate assets spread across prime areas of Karachi. The projects include a Master Planned Community including mid-rise Residential Apartment Towers, Commercial Offices, Service Apartments, Hotel & Retail Space located at waterfront, to be equipped with quality infrastructure. The other project is Pakistan's one of a kind premium-end luxurious Residential Apartment Tower and Showrooms with world class amenities, located in the city's most posh area.

The third project is first of a kind Technology Park in Pakistan, with high end IT infrastructure to be designed for world-class technology companies, accompanied with a 42 key business hotel.

The project locations, as well as the asset classes are quite diverse which reduces reliance on any single asset class as well as hedge the Unitholders' return to a great extent.

## 8.3 STRONG INVESTOR BASE

The existing investor base of the REIT Scheme includes TPL Properties Limited which is Pakistan's leading Real Estate Developer & Operator. TPLP is the strategic investor that has contributed through real estate assets in the REIT Scheme. In addition to this, the other initial investors include 8 leading commercial banks of Pakistan including Habib Bank Limited, National Bank of Pakistan, The Bank of Punjab, Bank Al Habib Limited, Bank Alfalah Limited, Habib Metropolitan Bank, Soneri Bank Limited and Askari Bank Limited. It is important to highlight that banks have stringent review and assessment processes in place for making equity investments. The willingness of banks to contribute equity investment in TPL REIT speaks volumes about the confidence of sophisticated institutional investors. Presence of sophisticated investors endorses the quality of the investment opportunity.

## 8.4 ENVIRONMENTALLY FRIENDLY SUSTAINABLE ASSETS

All real estate investments undertaken by TPL REIT are set to follow the best sustainability and environment principles and shall achieve at least one of the prominent green building certifications such as EDGE, LEED, BREEAM or WELL for all its real estate development projects. One Hoshang and Technology Park are targeted for LEED Gold Certified. In the recent years, environment friendliness has emerged as one of the key criteria for institutional investors, and having this feature built-in would increase demand of the REIT Scheme.

## 8.5 STRONG SPONSOR SUPPORT

The REIT Scheme is part of TPL Group which is Pakistan's prominent technology conglomerate with businesses across a variety of sectors. TPLP is the Strategic Investor and its 100% owned subsidiary TPL Developments is the Development Advisor of the REIT Scheme. It has rich experience of real estate projects including its flagship project of Centrepont, Grade A Commercial Office Tower, that yielded an ROI of 130%. Sponsor's domain knowledge and success history increase investor confidence which should lead to increase in demand.

## 8.6 DIVIDEND EXPECTATION

TPL REIT is perpetual in nature, but its projects have finite lives. Therefore, sizeable dividends are expected to be distributed to the Unitholders at each project completion to avail tax exemption for the REIT Scheme. One Hoshang project has the shortest tenor and is expected to be completed in FY26. Hence a sizeable dividend is expected in the medium term, subject to market conditions. The expectation of dividends should be reflected in the market price to rationalize its dividend yield in comparison to other investment options.

Since all approvals of One Hoshang are in place and construction is ongoing, the IPO investors are at an advantage to the initial investors who invested in the REIT Scheme with high greenfield risk.

## JUSTIFICATION

The units of the REIT Scheme are being offered at an Offer price of PKR 17.59 per share which is equivalent to the Net Asset Value as of 28/12/2023.

The Lead Manager is of the opinion that due to investments in sustainable and diversified pool of real estate assets, strong governance, credible investor base, dividend expectation, there exists strong upside for the investors participating in this IPO and the Offer Price is justifiable. Post listing, NAV of the REIT Scheme will be supplemented by the continuing progress on the three projects of TPL REIT which is expected to be reflected in the market price.

## 8.7 POST-OFS FREE FLOAT OF REIT SCHEME

| Free Float   | No. of Units (Mn)* | % of Unitholding |
|--|--------------------|------------------|
| Held by Strategic Investor (TPL Properties)  | 701                | 38.21%           |
| <b>Held by Anchor Investors / Accredited Investors and General Public – Free Float</b> | <b>1,134</b>       | <b>61.79%</b>    |
| <b>Total</b>   | <b>1,835</b>       | <b>100%</b>      |

\*In case of Base Offer

**Free Float:** This is pertinent to note that none of the Anchor Investors will have any restriction on selling / transferring their Units post listing, therefore, their units will be part of the free float. A free float of ~62% will significantly enhance liquidity and tradability of the REIT Units.

## 8.8 PEER COMPARISON

There are no listed competitors of TPL REIT in Pakistan. Dolmen City REIT is a purely rental REIT having a single project. Globe Residency REIT is a limited life developmental REIT involved in development and sale of residential apartments only.

On the other hand, TPL REIT is a **perpetual hybrid REIT** Scheme involved in diversified real estate projects including (i) master planned community for mixed use development on waterfront property, (ii) Pakistan's one of its kind premium-end residential apartment tower and (iii) first of its kind technology park in Pakistan. All three projects are being executed through separate SPVs of the REIT Scheme.

A brief comparison of TPL REIT with these listed REITs in terms of pricing and multiples is shown below:

| Peer Comparison                                       | Unit        | TPL REIT Fund I | Globe Residency REIT | Dolmen City REIT |

## 9. RISKS

### 9.1 INTERNAL RISKS

#### 9.1.1 CONSTRUCTION RISK

**Budget Risk:** Construction operations are susceptible to budget overruns. Even though, in some projects, uptick in key raw material pricing has been built into the sales contract, it is likely that some of the sales in the future may not include a cost pass-on clause, which could affect the revenues and margins of REIT Scheme and payouts to TPL REIT investors. Budget overruns may result from any of the following:

- Key raw materials like cement and steel roughly comprise 40-50% of the construction cost. The underlying raw materials driving the prices of these two materials are coal and iron ore and accordingly, any changes in the international market in the pricing of coal and iron ore would affect the construction cost
- Inputs include imported items like HVAC systems, furnishings, the cost of which may be inflated by any devaluation in PKR. Roughly about 50-55% of the costing is susceptible to change on account of PKR devaluation
- Construction is a labor-intensive industry, with labor costs comprising roughly a quarter of the cost. Accordingly, changes prescribed by Sindh Minimum Wage Board could affect project costing and in turn margins of TPL REIT

**Time Delay:** Construction projects are susceptible to time delays. Although, time delay arising from contractor negligence is subject to cost claw-back clauses, certain kind of time delay caused by legitimate construction site related challenges pose a time delay risk. Potential time delays can result in delayed sales, thus impacting returns of TPL REIT, while inordinate delays in several projects could adversely result in reputational risk for TPL RMC.

#### 9.1.2 DEMAND RISK

The demand of real estate units being built by TPL REIT projects may be affected by competition from other similar projects in Karachi in addition to external factors like the state of the economy. This can result in an oversupply of the built-up properties which can result in stuck cashflows. In case of elevated demand risk, TPL RMC may have to sell off real estate units at a lower price than assumed in projections, which may affect the revenues, margins, and payouts of TPL REIT.

#### 9.1.3 REGULATORY RISK

REIT Funds are subject to regulation by laws and regulations at local and national level. Any changes in government rules, regulations and fiscal policies including those of changes in taxation, REIT Regulations, environmental and zoning law or the interpretation of such laws by regulators, may hinder the performance of TPL REIT.

In Pakistan, REIT Funds enjoy several tax incentives. Dividends paid by SPV to REIT Scheme and by the REIT Scheme to its Unit Holders are tax exempted, subject to the condition that 90% of their accounting income is distributed. Any adverse change in taxation legislation may hamper return on investment for Unit Holders and the overall profitability of the REIT Scheme.

Furthermore, the development of Real Estate Assets requires several regulatory approvals to be sought from various regulatory authorities. For One Hoshang, all the requisite approvals are in-place (refer to section 3.7.2) and development works are underway. For the Mangroves and Technology Park projects, the majority of the NOCs and approvals are in place (refer to section 3.7.1 & 3.7.3), while the main construction approvals will be sought upon completion of the detailed design. Any delay in securing these approvals will adversely impact

the return of Unitholders. Moreover, there is also a risk that these approvals are not provided or risk that the NOCs that have been provided will be cancelled due to a subsequent noncompliance with laws, in that case the assets will have to be liquidated, affecting the expected returns of the Unitholders.

#### 9.1.4 GEOGRAPHIC CONCENTRATION

TPL REIT's existing portfolio comprises multi-storey buildings and other residential blocks, all of which are situated in Karachi, Pakistan. TPL REIT is exposed to risks associated with geographical concentration, including risk of an overall downturn in economic and real estate market in Karachi as well as other city-specific force majeure events, thereby impacting the performance of the REIT Scheme.

#### 9.1.5 SPONSOR DEPENDENCE & REPUTATIONAL RISK

TPL RMC intends to leverage on and benefit from the Sponsor's (TPL Properties) established track record in property development, as well as maintaining and operating the properties, and use 'TPL' brand name in attracting buyers. In addition, TPL RMC's group company, TPL Corp, also provides IT infrastructure among other support services, to TPL RMC. If the Sponsor or group companies are unable to provide the support required by TPL RMC in the future, it may have material adverse effect on TPL RMC's operations and future growth. The group companies of TPL RMC include investments in a myriad of industries including life & non-life insurance, logistics management, technology among others. All these businesses are significantly dependent on Pakistan's economy, and accordingly any adverse economic shock could affect the group's viability, which would have a negative impact on TPL RMC's operations and ultimately on the performance of TPL REIT. Furthermore, any future event, which negatively impacts the 'TPL' brand, would enhance the demand risk on TPL REIT projects.

#### 9.1.6 LIQUIDITY RISK

Projects underlying TPL REIT are to be funded with a mix of off-plan sales, investor equity and debt. However, in case of lower-than-expected offtake of properties or default by multiple buyers, liquidity buffer may erode resulting in a liquidity crisis for the project(s). Although TPL RMC has a defined process for buyer default; in the short term, the lack of proceeds from off-plan sales will have to be plugged in by obtaining short-term borrowing, which could affect margins of TPL REIT.

#### 9.1.7 COMPLIANCE RISK

Operations of REIT Scheme are subject to regulatory requirements, which are as follows:

**PSX & SECP:** As a listed REIT scheme, TPL REIT would be subject to regulatory requirements set by PSX & SECP. In case of non-compliance, TPL REIT may be placed in the 'Defaulter Segment', which may potentially hamper or suspend trading in units of TPL REIT Fund I, thus resulting in liquidity risk for the investor. REIT Scheme can also be delisted due to noncompliance. At the same time, SECP can also take actions against the REIT Scheme in case of any non-compliance related to the REIT Regulations.

**FBR:** One of TPL REIT's properties, One Hoshang, was registered under fixed tax regime, as specified in Section 100D of Income Tax Ordinance 2001 and was required to complete the grey structure of the project, as defined under Eleventh Schedule of Income Tax Ordinance 2001, latest by September 30, 2023. However, given project delays and eventual transfer of One Hoshang into REIT, wherein REIT income becomes tax-free if 90% of the profits are paid out, TPL RMC has subsequently appealed against consideration in Section 100D. While a final judgement in this is awaited, an adverse judgement could affect tax liability of TPL REIT, which affect payouts to investors.

Furthermore, as part of consideration as a REIT Scheme, for tax purposes, TPL REIT is required to payout 90% of its taxable income to investors. There may be times where TPL REIT may not have disposable liquidity to make such a payout, which could expose it to a higher tax charge.

### 9.1.8 RISKS RELATING TO PROPERTY OWNERSHIP

Real estate assets carry varying degree of risks in respect of property ownership. Defected title or litigation on the real estate asset under consideration will render real estate not transferable in the name of TPL REIT.

### 9.1.9 CONFLICT OF INTEREST RISK

Construction operations are undertaken by a combination of companies which include external contractors as well as companies that are part of the TPL group i.e. related parties of TPL RMC. Accordingly, through the course of TPL REIT's operations, there may be conflicts of interest in of terms accountability for each task performed. If a conflict of interest results in disadvantageous terms/treatment for the REIT Scheme, its operational and financial performance may be impacted.

TPL Group and TPL RMC have a conflict-of-interest policy in place to ensure all related party transactions are on arms-length basis, while transactions with related parties are subject to audit and duly disclosed in the financials of TPL RMC, its SPVs and financials of TPL Corp. Furthermore, conflict of interest may also arise from additional real estate portfolios taken on by TPL RMC.

### 9.1.10 SOME DAMAGE MAY NOT BE COVERED BY INSURANCE

TPL REIT maintains comprehensive property & liability insurance policies with coverage features and insured limits that TPL RMC believes are consistent with market practices in the real estate industry in Pakistan. Adequate insurance coverage is in place for the existing projects.

Market forces beyond TPL RMC's control may nonetheless limit the scope of insurance coverage that it can obtain or its ability to obtain such coverage at reasonable rates. Design, construction and other latent property or equipment defects or deficiencies in the properties may require additional capital expenditure, special repair or maintenance expenses or the payment of damages or other obligations to third parties, other than those disclosed in this OFSD and may not be covered by insurance. In addition, certain types of losses, generally of a catastrophic nature, such as natural disasters, terrorist acts and outbreak of infectious diseases or any losses as a result of these form may be uninsurable or the required insurance premium may be too expensive to justify obtaining insurance. In such a scenario, whereby the damage is not covered by the insurance policy, the REIT Scheme will have to incur such losses, which may adversely affect the returns of the Unitholders.

### 9.1.11 ENVIRONMENTAL RISK

Environmental risks in certain projects of REIT Scheme, particularly the Mangrove Project, are elevated. Any adverse environmental impact by REIT Scheme's operations will translate in reputational risk, which may increase demand risk for the project. In addition, any contravention of Sindh Environmental Protection Agency (SEPA) legislation may result in regulatory actions and penalties for TPL REIT.

### 9.1.12 SOCIAL RISK

Construction operations are prone to social risks, as follows:

- **Health & Safety & Minimum Wage:** Regulatory stipulations such as Sindh Occupational Safety & Health Act and Sindh Minimum Wages Act comprise laws to protect worker safety. Even though TPL RMC ensures payment of minimum wages and highest Health & Safety precautions on-site, there is risk that external 3<sup>rd</sup> party contractors may not comply with local regulations, which may impact operations on-site and may subject TPL REIT to indirect penalties and/or regulatory actions.
- **Neighborhood Disturbance Risk:** The construction operations have to follow certain noise guidelines, which are of particular importance when operating in residential areas. Certain projects of the REIT Scheme are more prone to breach these guidelines, which may result in neighborhood disturbance

complaints and legislative action against TPL REIT. TPL RMC regularly monitors on-site noise levels through 3<sup>rd</sup> party service providers to document these metrics to ensure compliance with local laws.

#### **9.1.13 ILLIQUIDITY OF REAL ESTATE**

TPL RMC's ability to promptly sell any of its properties or to vary its investment portfolio in response to changing economy, financial and investment conditions may be limited. The market for acquiring/ disposing residential and commercial units tends to be inactive, mainly being affected by general economic conditions, availability of financing, interest rates and other factors, including supply and demand, that are beyond TPL RMC's control. Slow off-take of residential and commercial units will lead to lower profitability of the REIT Scheme, thereby impacting its performance and the dividends to the Unitholders.

#### **9.1.14 ASSET LEVEL RISK**

Idiosyncratic risk is specific to a particular property. There is demand for multifamily real estate throughout different stages of the economic cycle, however demand for hospitality and commercial real estate sector is more sensitive to the change in market conditions, hence it is riskier. Lower occupancy in hospitality assets of the REIT Scheme and slow off-take of commercial units will lead to lower profitability of the REIT Scheme, thereby impacting its performance and the dividends to the Unitholders. In order to diversify this risk, TPL REIT has invested in real estate of multiple projects across different sectors ranging from commercial office, residential, retail, and hospitality.

#### **9.1.15 NEGATIVE CASHFLOW FROM OPERATIONS**

The REIT Scheme has posted negative cashflows from operations in FY 2022, FY 2023 and 1QFY24. This has occurred because the REIT Scheme has acquired real estate assets and recorded their unrealized gains, but any sale proceeds were yet to commence. After adjusting for the non-cash expenses i.e. unrealized gains, the cash flow from operations turned negative. This is a typical feature of any new business where initial operations are funded by either equity or debt financing until the business becomes self-sustaining.

Similar is the case with developmental /hybrid REIT Scheme in its nascent and pre-sale stage. TPL REIT was also financing its initial operations from issuance of units. Booking of initial tranche of units of premium residential apartments of the One Hoshang project has been initiated. Moving ahead, further sale of apartments in next tranches along with commencement of sale from Technology Park project is expected to generate positive cashflows for the REIT Scheme in the medium term while phase wise sales of Mangrove project would generate positive operating cashflows at a sustainable level in the long term.

#### **9.1.16 OPERATIONAL HISTORY**

TPL RMC was incorporated in 2018 and TPL REIT is its first REIT Scheme, which was established in 2022. Accordingly, neither the RMC nor REIT Scheme, has any operating history by which its past performance may be assessed.

### **9.2 EXTERNAL RISKS**

#### **9.2.1 MACROECONOMIC & COUNTRY RISK**

TPL RMC, TPL REIT Fund I, the SPVs and underlying assets are incorporated and located in Pakistan. Accordingly, the performance of TPL REIT is highly dependent on prevailing economic conditions in Pakistan. Any slowdown or perceived slowdown in the Pakistani economy, or in specific sectors of the economy, could have a material adverse effect on the business, financial condition, operational results and the price of the Units.

Factors that may adversely affect the economy and hence operational results of TPL REIT are as follows:

- Downgrade in Pakistan's sovereign ratings or default by the Government of Pakistan;
- Increase in scarcity of credit or other financing in Pakistan;
- Prevailing income, consumption and savings conditions among consumers and corporations in Pakistan;
- Volatility in, and actual or perceived trends in trading activity on, Pakistan Stock Exchange;
- Changes in Pakistan's tax, trade, fiscal or monetary policies;
- Political instability, terrorism or military conflict in Pakistan, including increased tensions on the borders, or in countries in the region or globally, including in Pakistan's various neighboring countries;
- The occurrence of natural or man-made disasters;
- Prevailing regional or global economic conditions;
- Balance of trade movements, including export demand and movements in key imports, including oil and oil products; and
- Other significant regulatory or economic developments in or affecting Pakistan or its real estate sector.

### 9.2.2 INFLATION RISK

REIT Funds are exposed to inflation risks with respect to acquisition of real asset assets, land and underperforming assets in particular. During an inflationary period, the cost of acquisition and the cost of mortgage financing for buyers may also rise, which could adversely impact the ability of TPL REIT to sell its real estate inventory at attractive sales prices and impact the profits.

### 9.2.3 INTEREST RATE RISK

REITs can be highly sensitive to interest rate fluctuations. Any increase in interest rates will subsequently increase yields that the investors can get from risk-free investments like treasury securities and other income-based instruments and would substitute risky equity investments. An increase in interest rates, while REIT Scheme has acquired debt, would also impact the profitability of the REIT Scheme by increasing finance costs, thus making dividend yield less attractive.

### 9.2.4 FORCE MAJEURE RISK

TPL REIT may be exposed to direct or indirect consequences of natural phenomena, pandemics, man-made disasters and terrorist attacks which may cause disruptions to commerce, reduced economic activity or market liquidity and continued volatility in markets throughout the globe. Such events could have an adverse impact on the real estate sector and the financial performance of REIT Scheme.

### 9.2.5 LEGAL RISK

The operations of REITs are subject to REIT Regulations 2022, while the FBR treats REITs as a Real Estate Agent subject to S.R.O 924(1)/2020. Furthermore, real-estate governing laws constitute multiple pieces of legislation, rules, regulations, circulars, notifications etc., which are not always reconcilable or readily available in the public domain. Market practices at times tend to diverge from laws and legal proceedings pertaining to real estate are cumbersome & protracted and determination of disputes may spread over a number of years. In addition, the aforementioned regulations also are susceptible to unexpected changes, which may affect the operations of TPL REIT adversely.

### 9.2.6 DOCUMENTATION DELAY RISK

Real Estate development industry in Karachi is governed by Sindh Building Control Authority, wherein several NOCs and building plan approvals are required to initiate construction. In certain cases, delays in approval of certain stages and NOCs are beyond the control of TPL RMC and are likely to delay the construction process relative to timelines envisaged, which would in-effect impact payouts to investors.

**9.2.7 CAPITAL MARKET RISK**

After being listed on the securities exchange, the price of Units of RIET Scheme will be determined by market forces driven by socio-economic events (locally & internationally), capital & money market behavior, and REIT Scheme's performance. The value of the units of the REIT Scheme will be subject to fluctuation based on combined impact of market forces.

**NOTE: INVESTMENT IN THE REIT SCHEME IS SUBJECT TO RISKS. IT IS STATED THAT ALL MATERIAL RISK FACTORS HAVE BEEN DISCLOSED AND THAT NOTHING HAS BEEN CONCEALED IN THIS RESPECT.**

Dear Board Members,

#### **Auditors' Certificate on Financial Information as Required Under section 2(1) of the First Schedule to the Public Offering Regulations, 2017**

We have been requested to provide you with a certificate on the annexed statement, which contains the profits and losses and assets and liabilities of the TPL REIT Fund-I (the 'REIT') and its subsidiaries (together the 'Group') and the details of dividend paid as required under clause 1 of section 2 of the First Schedule to the Public Offering Regulation, 2017 (the 'Regulations').

#### **Scope of Certificate**

We understand that this certificate is being issued in our capacity as the statutory auditor, and we are required to issue a certificate on the accuracy of the information summarized in the annexed statement.

The Securities and Exchange Commission of Pakistan (SECP) under section 2(1) of the First Schedule of Public Offering Regulations, 2017 requires a report to be made by auditors (who shall be named in the Offer for Sale Document) immediately preceding the issue of the prospectus with respect to the following:

- (a) profits and losses and assets and liabilities of the REIT as a whole with the combined profits and losses of its subsidiaries, and individually with profit and loss of each subsidiary concern, for the period ended on 30 June 2022 and year ended on 30 June 2023, and
- (b) details of the dividend paid by the REIT during the period from 23 December 2021 to 30 June 2023.

#### **Management's Responsibility**

It is the responsibility of the management to prepare the annexed statement based on the audited financial statements as required under clause 1 of section 2 of the regulations and to ensure compliance with the requirements of other laws and regulations applicable to the REIT. This certificate does not relieve the management of its responsibilities.

**TPL REIT Management Company Limited - Management  
Company of TPL REIT Fund I**

*Auditors' Certificate on Financial Information as Required  
Under section 2(1) of the First Schedule to the Public Offering  
Regulations, 2017  
13 December 2023*

KPMG Taseer Hadi & Co.

#### **Auditor's Responsibility**

Our responsibility is to certify the accuracy of the information appearing in the annexed statement as required under section 2(1) of the First Schedule to the Regulations in accordance with the 'Guidelines for Issue of Certificates for Special Purposes by Practicing Chartered Accountants Firms' issued by the Institute of Chartered Accountants of Pakistan. Our verification was limited to the procedures as mentioned below;

- Agreed to the information about profits and losses, and assets and liabilities included in the annexed statement with the audited consolidated and unconsolidated financial statement of the REIT and the audited financial statement of its subsidiaries for the period ended on 30 June 2022 and year ended on 30 June 2023, and
- Agreed to the details of dividend paid by the REIT during the period from 23 December 2021 to 30 June 2023 with the audited financial statements of the REIT.

#### **Certificate**

Based on the procedures mentioned above, we certify that the information contained in the annexed statement about the profits and losses and assets and liabilities of the Group and details of dividend paid is in agreement with the respective audited financial statements of the Group. Moreover, no dividend was paid during the period from 23 December 2021 to 30 June 2023.

#### **Restriction on use and distribution**

The certificate is being issued in the capacity of the statutory auditor, on the special request of the management in relation to the requirements under section 2(1) of the Regulations for the purpose of inclusion in the prospectus and for onward submission to PSX and is not to be used and / or distributed for any other purpose. This certificate is restricted to the facts stated herein and the annexed statement.

Yours faithfully,

*Kamal Taseer*

## Notes:

1. Increase in revenue in FY2023 was on account of sizable increase (PKR 10.8 bn) in unrealized gain on revaluation of investment property.
2. Performance fee is applicable as 15% of the increase in NAV of TPL REIT Fund I from the previous year. Hence, the increase is on account of total NAV of the Fund from 2022 to 2023.
3. The REIT Scheme's income is exempt from income tax as per clause 99 of Part 1 of the Second Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90 percent of its accounting income for the year, as reduced by the capital gains whether realised or unrealised, is distributed to the unit holders in cash. During the current year the REIT Scheme has incurred accounting loss when the net income is reduced by capital gains (whether realised or unrealised), therefore there is no distributable income for the current year. Further, TPL REIT is also exempt from the provision of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.
4. Increase in non-current assets in FY2023 was on account of sizable increase (PKR 13.5 bn) in investment property on revaluation of investment property.
5. Increase in Unitholder's fund is due to increase in total assets of the Fund.
6. TPL REIT's subsidiary (One Hoshang) has availed the facility of Rs. 775 million from a commercial bank. The purpose of availing the facility is to finance the residential building project. Details of financing are given in section 15.2 of this OFSD.
7. Rationale for negative cashflow is given in section 9.1.15 of this OFSD.
8. Based on annualized earnings of 1HFY2024
9. The ROE and ROA dropped in 1H FY2024 because of the lower revenue during the period. The revenue decreased because there was no significant gain on revaluation of investment properties during the period.

3. Increase in non-current assets is on account of increase in investments (in project SPVs) during the year.
4. Rationale for negative cashflow is given in section 9.1.15 of this OFSD.
5. Based on annualized earnings of 1H FY2024
6. The ROE and ROA dropped in 1H FY2024 because of the lower revenue during the period. The revenue decreased because there was no significant gain on revaluation of investment properties during the period.

## 15.5 FINANCIAL YEAR OF THE REIT SCHEME AND THE RMC

The financial year of the REIT Scheme commences on July 1 and ends on June 30.

The financial year of the REIT Management Company commences on July 1 and ends on June 30.

## 15.6 INVESTMENT POLICY

### Investment Objective

TPL REIT seeks to achieve regular and stable distributions and long-term growth in NAV for its Unit Holders through investing in a diversified portfolio of "opportunity" and "sustainable" real estate assets in Pakistan.

The funds raised shall be invested primarily in the acquisition of project SPVs that hold real estate development projects, acquire land for real estate development and hold income-producing real estate assets. TPL REIT will invest in REIT Projects through separate project SPVs that will be controlled and at least 75% owned by TPL REIT.

### Investment Criteria

The investment criteria of TPL REIT shall be as described in section 3.4 of this Offering Document.

## ESG Criteria

In recent years, greater emphasis has been laid on investment criterion based ESG principles. These principles consider how an investment performs from environmental, social, sustainability and governance perspective and have increasingly become a tool for conscious investors to screen potential investments.

The ESG considerations will be imperative to the investment criteria of TPL REIT in order for it to become more focused on reducing emissions, improving projects' sustainability and providing greater stability to its investors and occupants. All real estate investments undertaken by TPL REIT are set to follow the best sustainability and environment principles and shall achieve at least one of the prominent green building certifications such as EDGE, LEED, BREEAM or WELL for all its real estate development projects.

These certifications shall help the management of TPL RMC in implementing management practices to prioritize building efficiency, decrease operational costs, ensuring increased productivity and increase asset value over time for its investors and further adds to the comfort and well-being of the assets' end users.

The measures considered for 'Green Building Initiatives' by TPL REIT are:

- **Leadership in Energy and Environmental Design Certification (LEED)** – it includes a set of rating systems for the design, construction, operation and maintenance of green buildings, homes, and neighborhoods, which aims to help building owners and operators be environmentally responsible and use resources efficiently.
- **Building Research Establishment Environmental Assessment Method Certification (BREEAM)** – it assesses an asset's environmental, social and economic sustainability performance, using standards developed by the Building Research Establishment.
- **Excellence in Design for Greater Efficiencies Certification (EDGE)** – It is a universal standard and a certification system for residential and commercial structures. It brings speed, market intelligence and an investment focus to the next generation of green building certification. A measurable and credible solution to prove the business case for building green and unlock financial investment.
- **WELL Building Certification** – It assesses human health and wellbeing performance in buildings, using standards developed by the WELL Building Institute.

Given the nature of the development projects, TPL REIT shall consistently align its investment strategy with the "three pillars" of ESG, albeit to varying degrees. The applicable ESG considerations and metrics shall change depending on the nature of the project (e.g. a new development versus retrofit) and the stage of the project (e.g. design versus construction versus operation and maintenance).

## Implementation of ESG Criteria by TPL REIT and its benefits

The following are the salient features of ESG criteria targeted by TPL REIT for all its real estate investments and developments, aligned with the UN Sustainable Development Goals (SDGs).

### *Energy efficiency*

Energy efficiency shall be one of the most prominent features of all real estate developments by TPL REIT. From small measures like sealing air ducts to preventing air leakages to larger initiatives like using renewable resources for heating and cooling systems, every aspect of the building is sensitive to the environment and therefore, top energy-saving techniques shall be incorporated in real estate developments by TPL REIT. These techniques may range from green buildings including installation of solar panels, energy-efficient lights and timer-adjusted lights.

***Water preservation***

TPL RMC will give top priority to water efficiency right for its real estate developments. Few of the sustainable initiatives that shall be taken to conserve water include installation of low-flow water fixtures that require only half the amount of water consumption and ample rainwater harvesting. Another important feature of TPL REIT's development projects will be the use of alternative water sources for irrigation and sanitation.

***High-quality indoor environment***

TPL RMC shall ensure that its development projects are designed with ample amounts of natural light, panoramic views, improved thermal conditions, ergonomic features and superior air quality. In addition, the real estate projects will be sealed from the toxins of polluted air, keeping moisture at bay which, in turn, will reduce the possibility of mould or mildew. The occupants residing in green projects of TPL REIT will experience a marked improvement in their health, stress levels and overall quality of life.

The real estate developments by TPL REIT shall be characterized as sustainable from their inception. The construction and design team of TPL REIT will keep existing fauna and flora in mind, with eco-friendly raw materials. Few of the top sustainable materials that shall be used in green projects of TPL REIT include recycled metal, recycled stone, certified third-party forest wood, bamboo and straw, to name a few. The construction consultants hired by TPL RMC shall not use building materials that may contain harmful volatile organic compounds (VOCs) or plastic by-products which have been known to release toxic fumes and carcinogens into the atmosphere.

***Efficient waste management***

The waste materials generated during the development of TPL REIT's real estate projects shall be recycled into new materials or composted for reuse where possible. Even the wastewater that is conventionally directed to sewage plants shall be treated onsite to reduce the projects' carbon footprint in the atmosphere. Moreover, the concept of sustainability by TPL REIT will not be restricted to the construction phase alone. Even after occupation, TPL REIT's projects shall offer efficient waste management systems with the segregation of wet and dry waste to further reduce the negative impact on the environment.

***Healthy living***

TPL REIT's real estate developments will set the benchmark of sustainability by nurturing the flora and fauna around its projects. This means that these developments will feature fresh open spaces and lush landscapes that promote a healthy lifestyle. Furthermore, the amenities and facilities provided by real estate developments of TPL REIT will be nature-centric with scenic jogging trails, thriving gardens and green parks that captivate and teleport their occupants to a pollution and contamination free environment.

***Reduced Operational Cost and Maintenance: Traditional vs. Green***

One of the greatest benefits of TPL REIT's real estate developments would be lower maintenance costs featuring specially engineered design elements that will help reduce energy and water bills for its occupants. These efficient structures shall cause cost savings for corporate and residential owners. Although the expense required to build such structures may be initially higher than traditional non-green forms of architecture, the cost over the long term is recovered exponentially.

**Investment Structure**

TPL REIT shall invest in REIT Projects through separate project SPVs in accordance with the following requirements and conditions.

- (a) each project SPV will be at least seventy five percent (75%) owned and controlled by TPL REIT in accordance with the Constitutive Documents and any shareholders agreement or similar

agreement regulating the affairs and governance of the SPV which shall contain all such provisions as are required under the REIT Regulations to protect the interest of TPL REIT and the Unit Holders;

- (b) each project SPV shall appoint the same Auditor and adopt the same accounting principles and policies as that of TPL REIT;
- (c) at least eighty percent (80%) of all assets of the project SPVs are or will be used/engaged for the purposes of implementing the REIT Projects;
- (d) each project SPV shall enter into a SPV Management Services Agreement with TPL RMC;
- (e) each project SPV shall not engage in more than one REIT Project, provided that the project SPV may acquire additional real estate for the purposes of and in connection with the same project in accordance with the Constitutive Documents and REIT Regulations;
- (f) each project SPV shall be Shariah compliant;
- (g) all assets (and associated liabilities) related to the REIT Project shall vest and be held in the name of a specific project SPV; and
- (h) all other requirements of the Constitutive Documents and REIT Regulations.

### **Investment Process**

TPL RMC will devote considerable resources to analyze the investment opportunities in the real estate sector based on a comprehensive assessment process. The objective of the investment process is to ensure that all new REIT Projects are aligned with TPL REIT's vision of building sustainable communities while seeking to maximize returns for Unitholders.

The following is an overview of certain key aspects of the investment process that TPL RMC shall utilize when engaging in the acquisition of development real estate assets, land for development, yielding real estate assets and undervalued real estate assets in Pakistan.

### **Opportunity Identification**

TPL RMC shall identify real estate investment opportunities with lucrative returns for TPL REIT and its Unit Holders. It shall only shortlist properties that meet the investment criteria as outlined in section 3.4 and that are best aligned with the overall vision of TPL REIT, with an emphasis on sustainability. TPL RMC shall seek to rely on its professional relationships within the real estate industry to generate and maintain deal flow with trusted counterparts.

### **Market Assessment**

TPL RMC shall conduct extensive research into the local market, its demographics and property neighborhood. It shall evaluate the best use of the real estate assets, alongside associated risks and merits including but not limited to environmental sustainability and engineering matters.

### **Preliminary Review**

The preliminary review of each shortlisted real estate asset shall broadly cover the following aspects.

- (a) Assess highest and best use of the real estate asset
- (b) Determination of target market / customers
- (c) Financial feasibility based on micro and macro-economic analyses
- (d) Investment analysis

- (e) Property inspection
- (f) Verification of title documents and its clearance
- (g) KYC of the seller
- (h) Identification of risks involved
- (i) Market comparability analysis
- (j) Environmental suitability assessment

The aforementioned list is not exhaustive and the preliminary review may include other aspects as deemed appropriate by TPL RMC from time to time. Upon satisfactory preliminary review, TPL RMC shall obtain in-principal approval from the Investment Committee and the Shariah Advisor.

### **Due Diligence**

Pursuant to obtaining in-principal approval from the Investment Committee and the Shariah Advisor, TPL RMC shall conduct an intensive due diligence on the shortlisted asset, aiming to comprehensively understand the vital factors of the asset and seller's obligations to mitigate any associated financial, commercial, taxation and legal concerns. The due diligence process shall broadly cover the following aspects.

**Asset Due Diligence** – Conduct physical inspection of the property, TPL RMC may involve sub-advisers to inspect the property and carry out environmental suitability assessment to understand past uses of the property, in addition to collecting evidence of any possible contaminants.

**Property Valuation** – Engage independent third-party valuer(s) to carry out property valuation.

**Financial Due Diligence** – Conduct feasibility study and return analysis based on the highest and best use of the asset to determine its potential value in comparison with comparable assets. Additionally, TPL RMC shall also prepare scenario analysis to stress test anticipated performance of the shortlisted asset under best and adverse conditions. It shall also conduct investment-specific tax and regulatory compliance analysis.

**Legal Due Diligence** – TPL RMC shall engage a legal expert to carry out legal due diligence on the proposed transaction. The legal expert shall review the asset documents to ensure clean title and that there are no undisclosed liens or claims over the asset. It shall also ensure the capacity and authority of seller to enter into the transaction, coupled with any restrictions on the transfer of the shortlisted asset. The legal expert will also ensure the compliance with regulatory requirements and verify the NOCs previously obtained by the seller for the shortlisted asset.

**Commercial Due Diligence** – Assess the key terms for negotiation with the seller and structure the proposed transaction to best suit the investment objective of TPL REIT and maximize the overall return for its Unit Holders.

### **Investment Proposal and Firm Approval**

Pursuant to satisfactory due diligence and prior to negotiating the deal terms with the seller, TPL RMC shall prepare an 'Investment Memorandum' to obtain firm approval from the Investment Committee and the Shariah Advisor. The memorandum shall summarize the investment opportunity, including due diligence results, an assessment of potential upside and downside expectations, associated risks and merits, investment budgeting, the overall portfolio diversification impacts and an analysis of the proposed investment's compliance with the investment criteria of TPL REIT as identified in section 3.4. For the avoidance of doubt, TPL RMC will not move forward with an investment if it does not satisfy the aforementioned criteria.

**Negotiation and Finalization of Deal Terms**

TPL RMC shall prepare an indicative term sheet to propose the buying terms to the seller and negotiate the terms on arm's length basis, while ensuring the transaction terms are most suitable to the beneficial interest of TPL REIT and its Unit Holders. It shall also incorporate all potential costs associated with the purchase in order to avoid any financial uncertainties. Once terms are negotiated, TPL RMC shall engage legal counsel to draft purchase agreements and any other transaction documents required.

**Notification of Proposed Investment**

TPL RMC shall with regards to the acquisition of the new asset, update its financial projections, its impact on aggregate portfolio composition and other disclosure required under the REIT Regulations.

TPL REIT shall invest in additional REIT Projects and acquire additional Real Estate in accordance with the Constitutive Documents and REIT Regulations. Additional Real Estate can be added to TPL REIT without approval of the Unit Holders.

**Transaction Close**

Prior to the close of any acquisition transaction of a real estate asset with a seller, TPL RMC shall obtain all necessary approvals and requisite NOCs from the relevant regulatory authorities. Additionally, it shall consult with legal counsel throughout in structuring and executing the investment to ensure compliance with applicable tax and regulatory requirements.

**Utilization of Surplus Funds**

Any surplus funds beyond the investments in real estate assets shall broadly be invested in Shariah compliant liquid assets approved by the Investment Committee and Shariah Advisor of TPL RMC, and in accordance with the Investment Policy of TPL REIT. The underlying liquid assets shall comprise of Government Securities, Money Market Funds, deposits with banks having at least a AA long term rating, and any other investments permitted under the REIT Regulations. Additionally, TPL RMC may engage a licensed investment advisor (independent of TPL RMC) to advice on the investment of any surplus funds on a non-discretionary basis.

**Changes to the Investment Policy**

Material changes to the investment objective and Investment Policy of TPL REIT as set out above may only be made in accordance with provisions of the Trust Deed and REIT Regulations.

#### PSX's E-IPO System (PES)

In order to facilitate investors, the Pakistan Stock Exchange Limited ("PSX") has developed an e-IPO System ("PES") through which applications for subscription of securities offered to the General Public can be made electronically.

PES has been made available in this Offer and can be accessed through the web link (<https://eipo.psx.com.pk>). Payment of subscription money can be made through 1LINK's and NIFT's member banks available for PES.

For making application through PES, investors must be registered with PES. The PES registration form is available 24/7, all throughout the year. Registration is free of cost and can be done by:

- the investor himself, or
- the TREC Holder with whom the investor has a sub-account, or
- the Bank with whom the investor has a bank account.

Similarly, an e-IPO application can be filed by:

- the investor himself, or
- the TREC Holder with whom the investor has a sub-account, or
- the Bank with whom the investor has a bank account.

For further guidance and queries regarding PES, investors may contact PSX at phone number: 111-001-122, or contact at phone (021)-35274401-10 and email: [itss@psx.com.pk](mailto:itss@psx.com.pk). In case of foreign investors who are not individuals, applications must be accompanied with a letter on applicant's letterhead stating the legal status of the applicant, place of incorporation and operations and line of business. A copy of Memorandum of Association or an equivalent document should also be enclosed, if available. Where applications are made by virtue of Power of Attorney, the same must be lodged with the application. Copies of these documents can be attested by the bank manager in the country of applicant's residence.

Foreign / Non- resident investors should follow payment instructions given in Section 16.8 of this Offer for Sale Document.

### 16.8 FACILITIES AVAILABLE TO NON-RESIDENT PAKISTANI AND FOREIGN INVESTORS

Entities are permitted under paragraph 6 (with specific reference to sub para (B) (I)) of Chapter 20 of the State Bank of Pakistan's ("SBP") Foreign Exchange Manual (the "Manual") to issue units on repatriation basis to non-residents who are covered under paragraph 6 (A) of Chapter 20 of the Manual, i.e. (I) A Pakistani national resident outside Pakistan, (II) A person who holds dual nationality including Pakistani nationality, whether living in or outside Pakistan, (III) A foreign national, whether living in or outside Pakistan and (IV) A firm (including a partnership) or trust or mutual fund registered and functioning outside Pakistan, excluding entities owned or controlled by a foreign government, provided the issue price, is paid in foreign exchange through normal banking channel by remittance from abroad or out of foreign currency account maintained by the subscriber/purchaser in Pakistan.

Non-residents who wish to subscribe Units out of the Offer may contact the Banker to the Offer for taking instructions regarding payment of subscription money against Units offered to general public. Name of Banker to the Offer for retail portion is available on page 1 and Section 16.16 of this Offer for Sale Document.

The Units issued/transferred to non-resident shareholders shall be intimated by the company to the designated Authorized Dealer, along with the documents prescribed in the Manual within 30 days of issue/transfer.

Non-residents who are covered under paragraph 6 (A) of Chapter 20 of the Manual do not require SBP's approval to invest in the Units being offered in terms of this Offer for Sale Document. Furthermore, under paragraph 7 (vii) of Chapter 20 of the Manual the Authorized Dealer shall allow repatriation of dividends, net of applicable taxes and proceeds on sale of listed units (i.e. divestment proceeds) not exceeding the market value less brokerage/commission on provision of prescribed documents.

Payments made by non-residents shall be supported by proof of receipt of foreign currency through normal banking channels. Such proof shall be submitted along with the application by the non-residents.

**16.11 MINIMUM AMOUNT OF APPLICATION AND BASIS OF ALLOTMENT OF UNITS**

The basis and conditions of transfer of units to the General Public shall be as follows:

1. Application for units must be made for 500 units or in multiple of 500 units only. Applications which are neither for 500 units nor for multiples of 500 units shall be rejected.
2. The minimum amount of application for subscription of 500 units is the 'Offer Price x 500 units'
3. Application for units below the minimum amount shall not be entertained
4. **SUBMISSION OF FALSE AND FICTITIOUS APPLICATIONS IS PROHIBITED AND SUCH APPLICATIONS' MONEY MAY BE FORFEITED UNDER SECTION 87(8) OF THE SECURITIES ACT, 2015.**
5. If the units offered to the General Public are sufficient to accommodate all applications, all applications shall be accommodated
6. If the units applied for by the General Public are in excess of the units allocated to them, the distribution shall be made by computer balloting, in the presence of the representative(s) of PSX in the following manner:
  - ✓ If all applications for 500 units can be accommodated, then all such applications shall be accommodated first. If all applications for 500 units cannot be accommodated, then balloting will be conducted among applications for 500 units only
  - ✓ If all applications for 500 units have been accommodated and units are still available for allotment, then all applications for 1,000 units shall be accommodated. If all applications for 1,000 units cannot be accommodated, then balloting will be conducted among applications for 1,000 units only.
  - ✓ If all applications for 500 units and 1,000 units have been accommodated and units are still available for allotment, then all applications for 1,500 units shall be accommodated. If all applications for 1,500 units cannot be accommodated, then balloting will be conducted among applications for 1,500 units only.
  - ✓ If all applications for 500 units, 1,000 units and 1,500 units have been accommodated and units are still available for allotment, then all applications for 2,000 units shall be accommodated. If all applications for 2,000 units cannot be accommodated, then balloting will be conducted among applications for 2,000 units only.
  - ✓ After the allotment in the above-mentioned manner, the balance units, if any, shall be allotted in the following manner:
    - After allotment of the above, the balance units, if any, shall be allotted on pro rata basis to the applicants who applied for more than 2,000 units.
7. If the Offer is over-subscribed in terms of amount only, then allotment of units shall be made in the following manner:
  - ✓ First preference will be given to the applicants who applied for 500 units;

- ✓ Next preference will be given to the applicants who applied for 1,000 units;
- ✓ Next preference will be given to the applicants who applied for 1,500 units;
- ✓ Next preference will be given to the applicants who applied for 2,000 units; and then
- ✓ After allotment of the above, the balance units, if any, shall be allotted on pro rata basis to the applicants who applied for more than 2,000 units.

8. Allotment of units will be subject to scrutiny of applications for subscription of units.

Applications which do not meet the above requirements, or application which are incomplete, will be rejected.

#### **16.12 BASIS OF ALLOTMENT OF UNITS FOR GENERAL PUBLIC**

The basis and conditions of transfer of units to the General Public shall be as follows:

1. The minimum value of application will be calculated as 'Offer x Price 500 units'. Application for amount below the minimum value shall not be entertained.
2. Application for units must be made for 500 units or in multiple of 500 units only. Applications which are neither for 500 units nor for multiples of 500 units shall be rejected.
3. Allotment / Transfer of units to successful applicants shall be made in accordance with the allotment criteria / instructions disclosed in the Offer for Sale Document.
4. Allotment of units shall be subject to scrutiny of applications in accordance with the criteria disclosed in the Offer for Sale Document and / or the instructions by the Securities & Exchange Commission of Pakistan.
5. Applications which do not meet the above requirements, or applications which are incomplete will be rejected. The applicants are, therefore, required to fill in all data fields in the Application Form.
6. The RMC will credit units in the CDS Accounts of the successful applicants.

#### **16.13 REFUND/UNBLOCKING OF SUBSCRIPTION MONEY TO UNSUCCESSFUL APPLICANTS**

As per the regulation 11(4) of the PO Regulations, within ten (10) working days of the close of public subscription period the Units shall be allotted and issued against the accepted and successful applications and the subscription money of the unsuccessful applicants shall be unblocked/ refunded.

As per sub-section (2) of Section 68 of the Companies Act, if refund as required under sub-section (1) of Section 68 of the Companies Act is not made within the time specified hereinabove, the directors of the RMC shall be jointly and severally liable to repay that money with surcharge at the rate of two percent (2%) for every month or part thereof from the expiration of the fifteenth day and, in addition, shall be liable to a penalty of level 3 on the standard scale as defined in Section 479 of the Companies Act. Provided that the directors of the RMC shall not be liable if it proves that the default in making the refund was not on their own account and was not due to any misconduct or negligence on their part.

#### **16.14 CREDIT OF UNITS**

Within ten (10) working days of the closing of public subscription period, the units shall be allotted, and credited against the accepted and successful applications and the subscription money of the unsuccessful applicants shall be unblocked/refunded, as required under regulation 11(4) of the PO Regulations. Units will be credited only in the book-entry form and will be credited into the respective CDS Accounts of the successful applicants. Therefore, the applicants must provide their CDS Account Number in the Units Subscription Application. If the RMC defaults in complying with the above requirements, it shall pay PSX a penalty of PKR 5,000 per day for every day during which the default continues. PSX may also notify the fact of such default and name of the RMC by notice and also by publication in its ready-board quotation of the Stock Exchange. Name of the RMC will also be notified to the TRE Certificate Holders of the PSX and placed on the web site of the PSX.

**16.15 TRANSFER OF UNITS**

The units shall be transferred in accordance with the provisions of PSX Regulations and the CDCPL Regulations.

**16.21 WITHHOLDING TAX ON DIVIDENDS**

Dividend distribution to unitholders will be subject to withholding tax under section 150 of the Income Tax Ordinance, 2001 as specified in Part III Division I of the First Schedule of the said ordinance or any time-to-time amendments therein. In terms of the provision of Section 8 of the said ordinance, said deduction at source, shall be deemed to be a full and final liability in respect of such profits in the case of persons only. The applicable withholding tax rate on dividends is 15% for filers and 30% for non-filers.

**16.22 SALES TAX**

General Sales Tax is applicable as per Sales Tax Act, 1990 on supplies and services. Sales tax is applicable on services as per Punjab Sales Tax on Services Act, 2012 by Punjab Revenue Authority. Sales tax is applicable on services as per Sindh Sales Tax on Services Act, 2011 by Sindh Revenue Board.

**16.23 SALES TAX ON SALE / PURCHASE OF UNITS**

Under the Constitution of Pakistan and Articles 49 of the 7th NFC Award, the Government of Sindh, Government of Punjab, Government of Khyber Pakhtunkhwa and Government of Baluchistan have promulgated the Sindh Sales Tax on Services Act, 2011, Punjab Sales Tax on Services Act, 2012, Khyber Pakhtunkhwa Sales Tax on services through Khyber Pakhtunkhwa Finance Act, 2013 and the Baluchistan Sales Tax on services Act, 2015 respectively. The Sindh Revenue Board, the Punjab Revenue Authority, and the Khyber Pakhtunkhwa Revenue Authority and the Baluchistan Revenue Authority administer and regulate the levy and collection of the Sindh Sales Tax (“SST”), Punjab Sales Tax (“PST”), Khyber Pakhtunkhwa Sales Tax (“KST”) and Baluchistan Sales Tax (“BST”) respectively on the taxable services provided or rendered in Sindh, Punjab or Khyber Pakhtunkhwa provinces respectively.

The value of taxable services for the purpose of levy of sales tax is the gross commission charged from clients in respect of purchase or sale of units in a Stock Exchange. The above-mentioned Acts levy a sales tax on Brokerage at the rate of 13% in Sindh, 16% in Punjab and in Baluchistan and Khyber Pakhtunkhwa the rate is 15%. Sales tax charged under the aforementioned Acts is withheld at source under statutory requirements.

# OFFER FOR SALE DOCUMENT | TPL REIT FUND I

## APPLICATION AND ALLOTMENT INSTRUCTIONS

### ELIGIBLE INVESTORS INCLUDE

- Pakistani citizens resident in or outside Pakistan or Persons holding dual nationalities including Pakistani nationality;
- Foreign Nationals whether living in or outside Pakistan;
- Companies, bodies corporate or other legal entities incorporated or established in or outside Pakistan (to the extent permitted by their constitutive documents and existing regulations, as the case may be);
- Mutual Funds, Provident/pension/gratuity funds/trusts, (subject to the terms of the Trust Deed and existing regulations); and
- Branches in Pakistan of companies and bodies corporate incorporated outside Pakistan.

### COPIES OF THE OFFER FOR SALE DOCUMENT

Copies of the Offer for Sale Document and application form can be obtained from the registered office of the Lead Manager and the Banker to the Issue and their branches and the corporate office of TPL REIT Management Company Limited. The Offer for Sale Document and the Application Form can also be downloaded from the websites: [www.psx.com.pk](http://www.psx.com.pk), <http://nextcapital.com.pk/>, <https://tplfunds.com/> and [www.cdceipo.com](http://www.cdceipo.com)

The applicants are required to complete the relevant sections of the application in order to get the Units in scrip-less form. In accordance with provisions of the Central Depositories Act, 1997 and the CDC Regulations, credit of such Units is allowed ONLY in the applicant's own CDC Account OR in CDC's IPO Facilitation Account. (IPO Facilitation Account is an Investor Account opened by CDC under its Regulations for the purpose of crediting and holding of Securities on behalf of individual Pakistani investors who have subscribed to such Securities offered by an Issuer/Offeror).

**NAME(S) AND ADDRESSES MUST BE WRITTEN IN FULL BLOCK LETTERS, IN ENGLISH AND SHOULD NOT BE ABBREVIATED.**

**ALL APPLICATIONS MUST BEAR THE NAME AND SIGNATURE CORRESPONDING WITH THAT RECORDED WITH THE APPLICANT'S BANKER. IN CASE OF DIFFERENCE OF SIGNATURE WITH THE BANK AND COMPUTERIZED NATIONAL IDENTITY CARD (CNIC) OR NATIONAL IDENTITY CARD FOR OVERSEAS PAKISTANIS (NICOP) OR PASSPORT, BOTH THE SIGNATURES SHOULD BE AFFIXED ON THE APPLICATION FORM.**

### APPLICATIONS MADE BY INDIVIDUAL INVESTORS

In case of individual investors, a photocopy of the CNIC (in case of resident Pakistanis) / NICOP or Passport (in case of non-resident Pakistanis) as the case may be, should be enclosed and the number of CNIC / NICOP / Passport should be written against the name of the applicant.

Original CNIC/NICOP/Passport, along with a photocopy, must be produced for verification to the Banker to the Issue and the applicant's banker (if different from the Banker to the Issue) at the time of presenting an application. The photocopy will, after verification, be retained by the branch along with the application.

### APPLICATIONS MADE BY INSTITUTIONAL INVESTORS

Applications made by companies, corporate bodies, mutual funds, provident / pension/gratuity funds/trusts, and other legal entities must be accompanied by a photocopy of their memorandum and articles of association or equivalent instrument/document. Where applications are made by virtue of power of attorney, the same should also be submitted along with the application.

Photocopies of the documents mentioned in 7(i) must be produced for verification to the Banker to the Issue and the applicant's banker (if different from the Banker to the Issue) at the time of presenting the application. The attested copies, will after verification, be retained by the bank branch along with the application.

### ADDITIONAL INSTRUCTIONS FOR INVESTORS

Only one application will be accepted against each applicant, however, in the case of joint account, one application may be submitted in the name of each joint account holder.

Joint application in the name of more than two persons will not be accepted. In case of joint application, each applicant must sign the application form and submit attested copies of their CNICs/NICOPs/Passport. The Units will be credited to the CDS account mentioned on the face of the form OR in CDC's IPO Facilitation Account and where any amount is refundable, in whole or in part, the same will be refunded by cheque or other means by post, or through the bank where the application was submitted, to the person named first on the application form, without interest, profit or return. Please note that a joint application will be considered as a single application for the purpose of allotment of securities.

Subscription money must be paid by cheque drawn on applicant's own bank account or pay order/bank draft payable to the Banker to the Issue in favor of A/C "Offer for Sale of TPL REIT Fund I" and crossed "A/C PAYEE ONLY".

For the application made through pay order/bank draft, it would be permissible for a Banker to the Issue to deduct the bank charges while making refund of subscription money to unsuccessful applicants through pay order/bank draft individually for each application.

The applicant should have at least one bank account with any of the commercial banks. The applicants not having a bank account at all (non-account holders) are not allowed to submit application for subscription of securities.

Applications are not to be made by minors and/or persons of unsound mind.

Applicants should ensure that the bank branch, to which the application is submitted, completes the relevant portion of the application form.

Applicants should retain the bottom portion of their application forms as a provisional acknowledgment of submission of their applications. This should not be construed as an acceptance of the application or a guarantee that the applicant will be allotted the number of Units for which the application has been made.

Making of any false statements in the application or willfully embodying incorrect information therein shall make the application fictitious and the applicant or the bank shall be liable for legal action.

Bankers to the Issue are prohibited to recover any charges from the subscribers for collecting subscription applications. Hence, the applicants are advised not to pay any extra charges to the Banker to the Issue. It would be permissible for a Banker to the Issue to refund subscription money to unsuccessful applicants having an account in its bank by crediting such account instead of remitting the same by cheque, pay order, or bank draft. Applicants should, therefore, not fail to give their bank account numbers.

Submission of false and fictitious applications is prohibited, and such applications' money may be forfeited under section 87(8) of the Securities Act, 2015.

عوام الناس کو مطلع کیا جاتا ہے کہ سیکورٹیز ریگولیشنز ایکٹ 2015 کی سیکشن 87(7) کے تحت جھوٹی یا جعلی درخواستیں دینا ناقص و ناجائز ہے۔ خلاف ورزی کرنے والوں کی رقم، جو کہ درخواست کے ساتھ جمع کرائی جاتی ہے، سیکورٹیز ریگولیشنز ایکٹ 2015 کی سیکشن 87(8) کے تحت ضبط کی جاسکتی ہے۔

### ADDITIONAL INSTRUCTIONS FOR FOREIGN / NON-RESIDENT INVESTORS

In case of foreign investors who are not individuals, applications must be accompanied with a letter on applicant's letterhead stating the legal status of the applicant, place of incorporation, and operations and line of business. A copy of memorandum of association or an equivalent document should also be enclosed, if available. Where applications are made by virtue of Power of Attorney, the same must be lodged with the application. Copies of these documents can be attested by the bank manager in the country of applicant's residence.

Foreign / Non-resident applicants should follow payment instructions given in Section 16.8 of the Offer for Sale Document.

### BASIS OF ALLOTMENT

The basis and conditions of transfer of Units to the General Public shall be as follows:

The minimum value of application for subscription is Offer Price x 500 Units. Application for amount below the minimum value shall not be entertained.

Application for Units must be made for 500 Units or in multiple thereof only. Applications which are neither for 500 Units nor for multiple thereof, shall be rejected.

Allotment/transfer of Units to successful applicants shall be made in accordance with the allotment criteria/instructions disclosed in the Offer for Sale Document.

Allotment of Units shall be subject to the scrutiny of applications in accordance with the criteria disclosed in the OFSD and/or the instructions by the Securities & Exchange Commission of Pakistan.

Applications which do not meet the above requirements, or applications which are incomplete will be rejected. The applicants are, therefore, required to fill in all data fields in the application form.

The RMC will credit the respective CDS accounts of the successful applicants.

### PUBLIC SUBSCRIPTION THROUGH e-IPO

e-IPO is submission of application for subscription of securities electronically through the internet, Automated Teller Machines (ATM), and mobile phones. In order to facilitate the public during IPOs, SECP has introduced the concept of e-IPO. The following two systems are available for e-IPOs:

#### (i) Centralized e-IPO System (CES):

The Central Depository Company of Pakistan Limited (CDC) has developed a Centralized e-IPO System (CES) through which applications for subscription of securities offered to the general public can be made electronically. CES has been made available in this SPO and can be accessed through the web link [www.cdceipo.com](http://www.cdceipo.com). Payment of subscription money can be made through 1LINK's member banks available for CES, a list of which is available on the above website.

For making application through CES, investors must be registered with CES. Registration with CES is free of cost and a self-registration process by filling the CES registration form, which is available 24/7 all around the year. Investors who have a valid Computerized National Identity Card (CNIC), a bank account with any of the commercial bank, email address, mobile phone number, and CDS Account (Investor Account or sub-Account) OR CDC's IPO Facilitation Account may register themselves with CES. Investors who do not have CDS account may visit [www.cdcpakistan.com](http://www.cdcpakistan.com) for information and details. For further guidance and queries regarding CES and opening of CDS account, investors may contact CDC at phone Number: 0800 – 23275 (CDCPL) and e-mail: [info@cdcpak.com](mailto:info@cdcpak.com).

#### (ii) PSX's E-IPO System (PES):

In order to facilitate investors, the Pakistan Stock Exchange Limited ("PSX") has developed an e-IPO System ("PES") through which applications for subscription of securities offered to the General Public can be made electronically.

PES has been made available in this Offer and can be accessed through the web link (<https://eipo.psx.com.pk>). Payment of subscription money can be made through 1LINK's and NIFT's member banks available for PES. For further guidance and queries regarding PES, investors may contact PSX at phone number: 111-001-122, or contact at phone (021)-35274401-10 and email: [its@psx.com.pk](mailto:its@psx.com.pk). Investors who are registered with PES can submit their applications through the web link <https://eipo.psx.com.pk> 24 hours a day during the subscription period which will close at midnight on May 03, 2024.
