

WEBINAR: 'Driving Positive Change Through Integrated Reporting: Case Studies from Pakistan and Around The World' in collaboration with ACCA Global And Engro Corporation.

In September 2018, CERB's survey findings on [Transforming Business Culture in the Business Sector of Pakistan](#) identified that more than **60% of the companies will adopt the Integrated Reporting Framework in the next five years.** As the acceptance of integrated reporting continues to grow, companies still face a number of implementation challenges. ACCA's new report on [Insights into integrated reporting 3.0: The drive for authenticity](#), by Yen-pei Chen highlights the current practices and challenges in Integrated Reporting.

Join us, on **June 21, 2019** to hear **Yen-pei Chen** speak about her report findings alongside **Aman Ul Haque** from Engro Corporation. Engro Corporation has been using the Integrated Reporting Framework to report to its stakeholders since 2015.

Speakers:

Yen-pei Chen: Integrated Reporting Subject Matter Expert, ACCA

Aman Ul Haque: Head of Marketing & Corporate Communications, Engro Corporation
