Online Account Opening - Enter the Stock Market Electronically

Contributed by: Raeda Latif,
Head of Marketing & Business Development,
Pakistan Stock Exchange Ltd.

Pakistan Stock Exchange (PSX) being a dynamic, efficient and robust stock market strives to play its due role as a frontline regulator. PSX is at the forefront of presenting new and innovative products, making regulatory, operational & technological enhancements, and taking numerous steps to promote ease of business for investors, issuers and other market participants. In line with PSX's commitment to make investment on the stock market a convenient process for all, the Online Account Opening facility has been introduced for opening of a trading account with Securities Brokers.

With the process of digitisation of the market functions, the online trading facility was on-boarded for investors almost two decades ago. The online trading system was introduced about 20 years ago whereby investors can invest and trade through their online trading accounts. Online trading has been facilitated by PSX through its KITS (Karachi Internet Trading System) platform which is the basis of the online trading applications & software provided by brokerage houses to their clients. The Online Trading System enables investors to not only trade online & diversify or rebalance their portfolios, but also view their cash position, trade summaries, trade confirmations, and custody position at the click of a button on their laptops or desktops as well as their mobile phones.

The missing link was that account opening was not online. In January 2021, the Online Account Opening facility was introduced. Whereas the online trading facility was previously available, the online new account opening facility was not. With the advancement in technology, the Covid-19 outbreak, and the Roshan Digital Account platform being

launched which facilitated fulfilling KYC requirements online, Online Account Opening was the next step on the path of innovation and progress for the capital market of Pakistan. Furthermore, Pakistan Stock Exchange along with its cohorts in the capital markets is making efforts with the SECP to make the KYC requirement into a unified system whereby banks and other market entities will have a singular KYC database which they would be able to share and utilise for the purposes of account opening of applicants. This will make redundant the process of initiating KYC formalities every time an individual wants to open an account with any of the market entities.

Applicants can now conveniently open a stock market investment account no matter where they are located. Already, there are more than 50 brokerage houses that are offering the Online Account Opening facility. Prospective Investors can choose from a range of brokerage houses that offer Online Account Opening by clicking on the following link on the PSX Website:

سربراہ مارکیٹنگ اینڈ بزنس ڈیولپمنٹ،

پاکستان اسٹاک ایکسچینج لمیٹڈ۔

پاکستان اسٹاک ایکسچینج (پی ایس ایکس) متحرک، موثر اور مضبوط اسٹاک مارکیٹ ہونے کے ناطے ایک فرٹ لائن ریگولیٹری حیثیت سے اپنا کردار ادا کرنے کے لیے کوشاں رہتا ہے۔ پی ایس ایکس نئی اور اختراعی مصنوعات پیش کرنے، ریگولیٹری، آپریشنل اور تکنیکی بہتری لانے اور سرمایہ کاروں، اجراء کنندگان اور مارکیٹ کے دیگر شرکاء کے لیے کاروبار میں آسانی کو فروغ دینے کے حوالے سے متعدد اقدامات کرنے میں ہمیشہ سہ آگے رہا ہے۔ پی ایس ایکس کا عزم ہے کہ اسٹاک مارکیٹ میں سرمایہ کاری کو سب کے لیے ایک آسان عمل بنایا جائے، اسی کے پیش نظر ریگولیٹری بورڈ کے ساتھ ٹریڈنگ اکاؤنٹ کھولنے کے لیے آن لائن اکاؤنٹ کھولنے کی سہولت حصارف کرائی گئی ہے۔

مارکیٹ کے افعال کو ڈیجیٹل بنیادوں پر استوار کرنے کے طریقہ کار کے ساتھ، تقریباً دو دہائیاں پہلے سے سرمایہ کاروں کے لیے آن لائن ٹریڈنگ کی سہولت موجود تھی۔ یہ بات قابل ذکر ہے کہ آن لائن ٹریڈنگ کا نظام تقریباً 20 سال قبل حصارف کرایا گیا تھا جس کے تحت سرمایہ کار اپنے آن لائن ٹریڈنگ اکاؤنٹس کے ذریعے سرمایہ کاری اور تجارت کر سکتے ہیں۔ پی ایس ایکس کی جانب سے اپنے KITS (کراچی انٹرنیٹ ٹریڈنگ سسٹم) پلیٹ فارم کے ذریعے آن لائن ٹریڈنگ کی سہولت فراہم کی گئی ہے، جو کہ برادری کی طرف سے اپنے کلائنٹس کو فراہم کی جانے والی آن لائن ٹریڈنگ ایپلی کیشنز اور سافٹ ویئر کی بنیاد ہے۔ آن لائن ٹریڈنگ سسٹم سرمایہ کاروں کو ان کا بل بناتا ہے کہ وہ نہ صرف آن لائن تجارت کر سکیں اور اپنے پورٹ فولیو کو کمزور یا دوبارہ متوازن کر سکیں، بلکہ اپنے لپ ٹاپ یا فون کے ساتھ ساتھ اپنے موبائل فونز پر ایک مین کے کلک کے ذریعے اپنی رقم کی پوزیشن، تجارتی سری، تجارتی کلریشن، اور اسٹیٹس بھی ملاحظہ کر سکیں۔

This will make redundant the process of initiating KYC formalities every time an individual wants to open an account with any of the market entities.

The process of online account opening is a simple one. It involves filling out the online account opening form available on the brokers' website, filling in the necessary details and submission of requisite documents online. The documents required for online account opening are:

Copy of valid and Attested CNIC/NICOP/ARC/POC/Passport of the Main Applicants.

Copy of valid and Attested CNIC/NICOP/ARC/POC/Passport of the Join Applicants.

Copy of valid and Attested CNIC/NICOP/ARC/POC/Passport of the Nominee (optional – only for Single Accounts).

Attested Copy of Power of Attorney (if contact person is other than main applicant), duly attested by notary public.

Employee Card / Job Card for salaried person. Company's letter head for business individuals mentioning the name, CNIC and designation etc.

Salary Slip for salaried individual. Income statement for Business Individuals or monthly income mentioned on company's letterhead.

Copy of Utility Bill/Driving License/Insurance Policy/Rent Agreement (If address is not as per CNIC).

Copy of Zakat Declaration of the Applicant and the Joint Applicant (if applicable). In case of Non-Muslim, an Affidavit shall be submitted.

Note: Non-resident/ foreigners shall submit the documents duly attested by either notary public or Consul General of Pakistan having jurisdiction of the Applicant(s).

After the documents are submitted, the back-end process begins. The documents are verified by NCCPL and a verification code is generated and communicated via SMS by NCCPL to the customer to complete and acknowledge the verification. The customer can then submit his/ her payment cheque to the brokerage house in order to begin investing in securities listed on Pakistan Stock Exchange.

The Online Account Opening facility is an innovative and ingenious technological resource to ensure that investors are able to open an account for investing in Pakistan's stock market regardless of where they are located. With about 50% of the local populace living in the rural and far flung areas, the Online Account Opening facility is a definitive method for enabling the peripherally located population to also take part in the investment scene on the stock market without having to travel all the way to a brokerage house physically. Similarly, for overseas Pakistanis, this is also a very valid option of account opening as this will allow them to access Pakistan's capital market while they are living abroad.

اس سے قبل جس چیز کی کمی تھی وہ یہ کہ آن لائن اکاؤنٹ کھولنے کی سہولت موجود نہیں تھی۔ جنوری 2021 میں، آن لائن اکاؤنٹ کھولنے کی سہولت متعارف کرائی گئی۔ جیسا کہ آن لائن ٹریڈنگ کی سہولت تو پہلے سے ہی دستیاب تھی، تاہم آن لائن نیا اکاؤنٹ کھولنے کی سہولت موجود نہیں تھی۔

بین الاقوامی میں ترقی کو روکا کی دیا، اور وہ نیشنل انجینئرنگ اکاؤنٹ پلٹ فارم کا آغاز جس نے KYC کی آن لائن ضروریات کو پورا کرنے میں سہولت فراہم کی، ان سب کے ساتھ، آن لائن اکاؤنٹ اوپننگ پاکستان کی نیشنل مارکیٹ کے لیے جدت اور پیشرفت کی راہ پر اگلا قدم تھا۔ مزید برآں، پاکستان اسٹاک ایکسچینج کمیشن مارکیٹس میں اپنے ہم خیال گروپ کے ہمراہ ای سی پی کے ساتھ مل کر KYC کی شرائط کو ایک متحد نظام میں تبدیل کرنے کی کوششیں کر رہا ہے جس کے تحت بینکوں اور دیگر مارکیٹ کے اداروں کے پاس ایک واحد KYC ڈیٹا بیس ہوگا جسے وہ درخواست دہندگان کے اکاؤنٹ کھولنے کے مقاصد کے لیے شیئر کرنے اور استعمال کرنے کے قابل ہوں گے۔ اس سے یہ ہوگا کہ جب بھی کوئی فرد مارکیٹ کے کسی بھی ادارے کے ساتھ اکاؤنٹ کھولنا چاہے گا تو اسے KYC کی رہی کارروائیاں کو شروع کرنے کی ضرورت نہیں ہوگی۔

درخواست دہندگان چاہے کسی بھی جگہ موجود ہوں اب وہ باآسانی اسٹاک مارکیٹ میں سرمایہ کاری اکاؤنٹ کھول سکتے ہیں۔ 50 سے زیادہ بروکرینج ہاؤسز پہلے ہی آن لائن اکاؤنٹ کھولنے کی سہولت پیش کر رہے ہیں۔ ممکنہ سرمایہ کاری ایس ایس کی ویب سائٹ پر درج ذیل لنک پر کلک کر کے آن لائن اکاؤنٹ کھولنے کی پیشکش کرنے والے بروکرینج ہاؤسز کے پلٹے میں سے انتخاب کر سکتے ہیں:

بروکرنگ فرمز کی فہرست۔۔

آن لائن اکاؤنٹ کھولنے کا طریقہ کار نہایت آسان ہے۔ اس میں بروکرز کی ویب سائٹ پر دستیاب آن لائن اکاؤنٹ اوپننگ فارم کو پُر کرنا، ضروری تفصیلات بھرتا اور مطلوبہ دستاویزات آن لائن جمع کرنا شامل ہے۔ آن لائن اکاؤنٹ کھولنے کے لیے درکار دستاویزات مندرجہ ذیل ہیں:

- مرکزی درخواست دہندگان کے درست اور تصدیق شدہ CNIC/NICOP/ARC/POC / پاسپورٹ کی کاپی۔
- مشترکہ درخواست دہندگان کے درست اور تصدیق شدہ CNIC/NICOP/ARC/POC / پاسپورٹ کی کاپی۔
- نامزد شخص کے درست اور تصدیق شدہ CNIC/NICOP/ARC/POC / پاسپورٹ کی کاپی (اختیاری)۔ صرف سنگل
- پاور آف اٹارنی کی تصدیق شدہ کاپی (اگر رابطہ کرنے والا شخص مرکزی درخواست دہندہ کے علاوہ ہے)، جو کہ نوٹری پبلک کے ذریعے صحیح اعلان تصدیق شدہ ہے۔
- تنخواہ دار شخص کے لیے ایسپلائی کارڈ / جاب کارڈ۔ کاروباری افراد کے لیے کمپنی کالیٹر ہیڈ جس میں نام، CNIC اور عہدہ وغیرہ کا ذکر ہونا چاہیے۔
- تنخواہ دار افراد کے لیے سیلری سلپ۔ کاروباری افراد کے لیے انکم اسٹیٹمنٹ یا کمپنی کے لیٹر ہیڈ پر ظاہر کردہ ماہانہ آمدنی۔
- یونٹیٹی مل / ڈرائیونگ لائسنس / انشورنس پالیسی / کرایہ نامہ کے معاہدے کی کاپی (اگر پتہ CNIC کے مطابق نہیں ہے تو)۔
- درخواست گزار اور مشترکہ درخواست دہندہ کے ذکوۃ اعلامیہ کی کاپی (اگر قابل اطلاق ہو)۔ غیر مسلم ہونے کی صورت میں حلف نامہ جمع کرایا جائے گا۔
- نوٹ: غیر مقیم / غیر ملکی درخواست دہندگان کا دائرہ اختیار رکھنے والے نوٹری پبلک یا تفصیل جنرل آف پاکستان کے ذریعے مستند دستاویزات جمع کرائیں گے۔

دستاویزات جمع کرانے کے بعد، بیک-اینڈ طریقہ کار کا آغاز ہوتا ہے۔ دستاویزات کی تصدیق NCCPL کے ذریعے کی جاتی ہے اور تصدیقی عمل مکمل کرنے اور تسلیم کرنے کے لیے ایک تصدیقی کوڈ تیار کیا جاتا ہے اور NCCPL کے ذریعے صارف کو ایس ایم ایس کے ذریعے مطلع کیا جاتا ہے۔ اس کے بعد صارف پاکستان اسٹاک ایکسچینج میں درج سیکیورٹیز میں سرمایہ کاری شروع کرنے کے حوالے سے اپنا مینٹ چیک بروکرنگ ہاؤس میں جمع کرا سکتا / سکتی ہے۔

آن لائن اکاؤنٹ کھولنے کی سہولت ایک جدید اور ذہانت پر مبنی تکنیکی ذریعہ ہے جو اس بات کو یقینی بناتا ہے کہ سرمایہ کار چاہے کہیں بھی موجود ہوں، وہ پاکستان کی اسٹاک مارکیٹ میں سرمایہ کاری کے لیے اکاؤنٹ کھول سکیں۔ چونکہ تقریباً 50 فیصد مقامی آبادی دیہی اور دور دراز کے علاقوں میں رہتی ہے، آن لائن اکاؤنٹ کھولنے کی سہولت ایک ایسا یقینی طریقہ ہے جس کی مدد سے اطراف میں واقع آبادی بھی اس قابل ہو جاتی ہے کہ خود شخص نہیں کسی بروکرنگ ہاؤس تک جائے بغیر اسٹاک مارکیٹ میں سرمایہ کاری کے منظر نامے میں حصہ لے سکیں۔ اسی طرح، بیرون ملک مقیم پاکستانیوں کے لیے بھی یہ اکاؤنٹ کھولنے کا ایک بہت ہی درست آپشن ہے کیونکہ اس کے ذریعے وہ بیرون ملک رہتے ہوئے پاکستان کی کیپٹل مارکیٹ تک رسائی حاصل کر سکیں گے۔

Through this event, PSX recognised and appreciated these strong, determined and ambitious women and their contributions along with their social, economic and cultural achievements. It was also a much needed break from their day to day rigid routines, where they had the opportunity to get closer with each other.

PSX has always paid attention to its work environment and has worked on making it better and more accommodating for its female employees day in and day out. Almost all of Karachi employees participated and enjoyed this evening while celebrating the values of kinship and unity. The employee messages and testimonials shared via video and during the event brought about a sense of belonging and camaraderie. The program included a talk from our CEO, employee messages, photo booth and loads of fun! This turned out to be a great and memorable evening as everyone left with a smiling face and good memories to cherish.
